Admin. Asst. M. Horstmeier

Created and sent out incident reports for the owners of residences where fires or checks have occurred.

Assisted Volunteer Firefighter with reimbursements, filing of training hours, and provide information when needed.

Entered training hours for the Advisory Board and Committee meetings that were held in the month of July.

Received gear and equipment from former firefighters that are no longer with the department for various reasons.

Sent invoices out to firefighters who are no longer with the department, but still have equipment.

Created the third issue of our RCFD Newsletter "The Extinguisher" for distribution to all members. The newsletter should be sent out by the first week of August.

Helped our new inter, Kyle Lewis, complete his onboarding process that was previously incomplete.

Prepare bills and invoices for Accounts Payable and Purchase card cycles as needed.

Continued to process burn permit applications and issuing new permits.

The Prescribed Burn Report was compiled and sent to the Kansas Forest Service for their records. The older burns on our GIS map were removed after being logged into our system for our records.

The updated list of active burn permits list was sent over to Riley County Dispatch for their records regarding the controlled burn map.

Spoke with HR about changing the title of our Volunteer Firefighter job description as we are receiving an influx of applications and are trying to be less confusing to applicants.

Working with HR to build a pre-screening questionnaire to reduce the number of applications that are applying to the volunteer position believing that it is a full-time position. We are hoping adding additional screening will help reduce the number of applicants that are actually looking for full-time employment.

Completed the IS-200C, Basic Incident Command System for Initial Response training.

Subscribed to the new weather alert chat software NWSChat and attended all necessary training for the new program.

Riley County Noxious Weed/HHW Department
Michael Boller, Director
August 3, 2023

Staff Report

Noxious Weed/Mowing:

- Spraying for noxious weeds on county roads and contracted townships is was completed last month and spot spraying will continue on county roads.
- KDOT spraying for noxious weeds will continue during August and spraying for Sericea Lespedeza continues throughout the month.
- The second round of mowing on county roads is 85% complete and in some areas several passes were made which usually does not occur until the third round. We are almost a full month ahead of schedule. This is partially due to dry conditions which has contributed to lower vegetation growth along the roadways as well as the efficient operation of the operator with extended shifts.
- Maintaining lagoon ponds started last month with mowing on both the Deep Creek lagoon and Terra Heights Lagoon.

HHW:

- Next HHW collection at Howie's Recycling is Saturday, August 12, 2023 from 8:00am to 12:00 noon. No business waste will be accepted at this event nor will large loads of material (Truck Loads). For further details please refer to HHW Website.
- The Riley County HHW Facility has recycled latex paint to give away. We have one gallon and 5 gallon containers available. Our office is open Monday – Friday from 7:30am to 4:00pm for assistance. Including over lunch.
- Clean Harbors clean out occurred July 11th and next schedule clean out in September.

Other:

CWDAK summer conference was in the month of July in Colby Kansas. I was in attendance and received credits towards my license.

Justin Brenner will be attending training in Dodge City in August for credits towards his applicators license.

Appraiser's Office Report

BOCC August 3rd, 2023

- **Personal property**
 - We are migrating Personal Property manufactured homes into Orion. The data from Komtek has been converted and is in the process of being loaded into Orion this week.
 - The 2nd Quarter watercraft report has been received and staff are working through the report.
 - Personal property is fully staffed, and training is underway.
 - We are working with the treasurer's office, getting staff trained in the functions of the MOVR's system. This system has reporting functions and search functions that will be useful tools for our office.
- **Agricultural**
 - Continuing sales validation and AG Use review.
- **Residential**
 - Sales Validation and annual review are continuing. We are just under 70% complete on annual review.
 - There have been 620 sales recorded of which 556 are residential properties, both figures are up over last month's update. The median sale price is currently \$223,000 this is down slightly over last month. Our current sales ratio is at 95%.
 - We have 206 total permits, 30 are new dwellings.
 - There are a total of 6 small claims hearings relating to 2023 valuation. 2- we have received decisions on, 3 were heard by the small claims division and we are waiting for the decision letters, and 1 was rescheduled and we are waiting for a new date. The only other outstanding appeals regarding 2023 valuation for residential/ag/vacant are the 9 parcels with one owner going to the full BOTa, they are docketed but not yet scheduled.
- **Commercial**
 - I have attached the Commercial BOTa cases and there have been no notable changes.
 - Our analyst is working to prepare documentation for the Board of Tax Appeal hearings scheduled in Topeka.
 - The Commercial analyst is almost complete with neighborhood and land analysis.
- **Additional Information**
 - Vacation reminder
 - IAAO Conference

Summary

The Riley County Police Department requests that the Board of County Commissioners authorize the agency to move forward on an application of grant funds through the 2023 Edward Byrne Memorial Justice Assistance Grant program. The grant funds will be used to purchase duty issued handguns, holsters and iron sights.

Background

The Justice Assistance Grant (JAG) Program, administered by the Bureau of Justice Administration (BJA), is the leading source of federal justice funding to state and local jurisdictions. The JAG Program provides states, tribes, and local governments with critical funding necessary to support a range of program areas including law enforcement, prosecution, indigent defense, courts, crime prevention and education, corrections and community corrections, drug treatment and enforcement, planning, evaluation, technology improvement, crime victim and witness initiatives, mental health programs and related law enforcement and corrections programs, including behavioral programs and crisis intervention teams, and implementation of state crisis intervention court proceedings and related programs or initiatives including, but not limited to, mental health courts, drug courts, veterans courts, and extreme risk protection order programs.

For each state and territory, the Bureau of Justice Statistics calculates a minimum base allocation which, based on the congressionally mandated JAG formula, can be enhanced by (1) the state's share of the national population and (2) the state's share of the country's Part 1 violent crime statistics as reported by the Federal Bureau of Investigation's (FBI's) Uniform Crime Reporting (UCR) Program. Once the state funding is calculated, 60 percent of the allocation is awarded to the state and 40 percent to eligible units of local government.

Our local units of government have been allocated Edward Byrne Memorial Justice Assistance Grants in varying amounts since 2005. The RCPD has made application to receive the funds allocated to the City of Manhattan and Riley County following requests to and approval by the respective governing bodies. The funds received under this grant generally total about \$22,000 annually.

Specifics

The 2023 allocation for Riley County is \$24,411. The grant does not require matching funds. Should the application be approved, the RCPD intends to apply the entire grant allocation towards 2023 expenses related to equipping officers with updated handguns, iron sites and holsters. Specifically, the funds will be used to purchase 26 duty handguns, 20 holsters, and 52 iron sites (front and rear).

Recommendation

Therefore, the Riley County Police Department recommends that the BOCC give authorization to the agency to proceed with the grant application process and to accept and utilize the funds should the application be approved and the funds awarded.

RESOLUTION

FROM: Jana Chingway, Senior Legal Assistant

MEETING: August 3, 2023

SUBJECT: Resolution for Issuance of County's GO Bonds, Series A, 2023 for High Plains Ranch Street Benefit District

PRESENTER: Craig D. Cox, Deputy Riley County Counselor

BACKGROUND

On September 15, 2022, the Board authorized construction of certain improvements to High Plains Ranch Road in the amount of \$167,000.00.

On May 25, 2023, the Board levied special assessments on certain properties benefiting from the road improvements. During the allowed prepayment period, property owners pre-paid \$74,222.23 of such special assessments, leaving the balance to be spread over 10 years.

DISCUSSION

On July 10, 2023, the Board authorized the private placement of the County's general obligation bonds for High Plains Ranch Road improvements.

The resolution before the Board today authorizes the issuance of the High Plains Ranch Road general obligation bonds in the amount of \$92,500.00 to Kansas State Bank (private placement) and provides for the levy and collection of special assessments to pay the principal and interest on the bonds.

FISCAL IMPACT

Staff time for Public Works office and County Counselor's Office.

Bond principal and interest responsibility of property owners within the District by payment of special assessments.

RECOMMENDATIONS

Counsel recommends the Board approve the resolution.

POSSIBLE MOTION(S)

- A. "I move the Board approve the resolution entitled: A Resolution of Riley County, Kansas, Authorizing the Issuance of the County's General Obligation Bonds, Series A, 2023, in the Principal Amount of \$92,500 Specifying the Terms and Details of the Bonds and Providing for the Levy and Collection of Special Assessments or Taxes to Pay the Principal of and Interest on the Bonds When Due."

“State Treasurer” means the elected Treasurer of the State or, in the State Treasurer’s absence, the appointed Assistant Treasurer of the State.

“United States Governmental Obligations” means bonds, notes, certificates of indebtedness, treasury bills or other securities that are direct obligations of the United States of America or obligations that are fully guaranteed as to full and timely payment of principal and interest by the United States of America, including evidences of direct ownership interest in future interest or principal payment on obligations issued by the United States of America, or securities that represent an undivided interest in such obligations and that are rated in the highest rating category by a nationally recognized rating service and are held in a custodial account for the County.

SECTION 2. Authority for Bonds; Security; Levy of Taxes for Payment.

(A) Pursuant to the Act, the Bonds are authorized and directed to be issued to provide funds to pay the costs of the Project, including redeeming the outstanding Notes, and Costs of Issuance.

(B) The full faith, credit and resources of the County are pledged to secure the payment of the principal of and the interest on the Bonds when due. The Bonds shall be general obligations of the County payable from special assessments levied upon property in the County specially benefitted by the Project and, if not so paid, from unlimited ad valorem taxes levied upon all the taxable tangible property within the territorial limits of the County. The governing body of the County covenants that it will provide for the payment of the principal of and the interest on the Bonds when due in each year by levying and collecting such assessments or ad valorem taxes in such amounts as are necessary to provide for the annual payment of the Bonds.

When received, the proceeds derived from such assessments and taxes shall be deposited into the Principal and Interest Account. If at any time the amount in the Principal and Interest Account is not sufficient to make the payments of the principal of and the interest on the Bonds when due, the Treasurer or the County Clerk is authorized and directed to pay the principal of and interest on the

Bonds out of the general funds of the County and to then reimburse the County's general funds for such expended amounts immediately upon the collection and receipt of assessments or ad valorem taxes for that purpose.

SECTION 3. Details of Bonds; Payment of Principal and Interest. The Bonds shall be dated August 22, 2023, and issued in the total principal amount of \$92,500. The Bonds shall mature on the Principal Payment Dates in the years and in the principal amounts shown below and shall bear interest at the rates per annum (computed on the basis of a 360-day year of twelve 30-day months and payable on the Interest Payment Dates), as follows:

Maturity Schedule

SERIAL BONDS

<u>Maturity Date</u>	<u>Principal Amount</u>	<u>Interest Rate</u>
09/01/24	\$ 6,500	6.33%
09/01/25	7,000	6.33%
09/01/26	8,000	6.33%
09/01/27	9,000	6.33%
09/01/28	9,000	6.33%
09/01/29	9,000	6.33%
09/01/30	10,000	6.33%
09/01/31	11,000	6.33%
09/01/32	11,000	6.33%
09/01/33	12,000	6.33%

The Bonds shall be issued as fully registered bonds in denominations of \$1,000 or any integral multiple not exceeding the authorized principal amount of the Bonds maturing on a Principal Payment Date, except that one Bond maturing September 1, 2024, shall be in the denomination of \$1,500, and will be numbered in the manner determined by the Bond Registrar.

The principal of the Bonds or their Redemption Price shall be payable on the Principal Payment Dates or Redemption Dates, in lawful money of the United States of America by check or draft of the Paying Agent upon the presentation of the Bonds for payment and cancellation at the Paying Agent's principal office in the City of Topeka, Kansas. The interest on the Bonds shall be payable on the Interest Payment Dates to the Owners of the Bonds as shown on the Bond Registrar as of the Record Date. The Bonds shall bear interest from the Interest Payment Date immediately preceding their effective authentication date, unless the effective authentication date is an Interest Payment Date when the Bonds will bear interest from that Interest Payment Date, provided that, if the effective authentication date for the Bonds is before the first Interest Payment Date, the Bonds shall bear interest from the Dated Date. The effective date of authentication shall be the date of authentication of the Bond by the Bond Registrar. The interest on the Bonds shall be payable in lawful money of the United States of America to the Owners shown on the Bond Register as of the Record Date, by (i) check or draft of the Paying Agent mailed to the Owners at their addresses as shown on the Bond Registrar, or at such other address as an Owner has furnished in writing to the Bond Registrar or, (ii) in case of an interest payment to an Owner that is a securities depository or

the Owner of 100% of the outstanding principal amount of the Bonds, by wire transfer to that Owner upon written notice given by the Owner, not less than 15 days before the Record Date for such interest, which provides the electronic transfer instructions including the bank address, ABA routing number and account number where such Owner seeks to have the wire deposited.

In any case where a Bond Payment Date occurs on a day that is not a Business Day then the payment due on that day may be made on the next succeeding business day with the same force and effect as if made on the scheduled Bond Payment Date, and no interest shall accrue for the period after the scheduled Bond Payment Date.

SECTION 4. Redemption of Bonds.

(A) Optional Redemption. At the option of the County, the Bonds maturing in the year 2029, and thereafter, may be called for redemption and payment prior to maturity on September 1, 2028 or at any time thereafter, in whole or in part, at the Redemption Price of 100% of the principal amount, plus accrued interest to the date of redemption, without premium.

(B) Selection of Bonds to be Redeemed. The Bonds shall be redeemed only in face amounts of \$1,000 or integral multiples thereof. When less than all of the Bonds are to be redeemed and paid prior to maturity, the Bonds shall be redeemed in such equitable manner as the County shall determine, with Bonds of less than a full maturity to be selected by lot in units of \$1,000; and the County shall, in the case of Bonds registered in denominations greater than \$1,000, treat each \$1,000 of face value of a Bond so registered as though it were a separate Bond in the denomination of \$1,000. If it is determined that one or more, but not all, of the \$1,000 units of face value represented by any fully registered Bond certificate is selected for redemption, then, upon notice of such redemption given to the Owner of such Bond, the Owner shall present and surrender such Bond to the Paying Agent for payment of the redemption price of the \$1,000 unit or units of face value called for redemption, and for exchange, without charge to the Owner, for a new Bond or Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the Owner of any such Bond of a denomination greater than \$1,000 fails to present such Bond to the Paying Agent for payment and exchange, such Bond shall, nevertheless, become due and payable on the Redemption Date to the extent of the principal amount called for redemption (and to that extent only).

(C) Notice of Redemption. The County shall give notice of any call for redemption and payment in writing to the Paying Agent not less than forty-five (45) days before the redemption date; and shall cause the Paying Agent to give notice of such call for redemption and payment in writing to the Owners of Bonds called for redemption with the notice mailed via United States first class mail not less than thirty (30) days before the redemption date, unless an Owner has waived written notice of redemption. The County shall also give or cause to be given such additional notice of any call for redemption and payment as may be required by the laws of the State of Kansas or regulation of the Securities and Exchange Commission that are in effect as of the date of giving any such notice. All notices of redemption given under the provisions of this Section shall be dated at least thirty (30) days before the redemption date, and shall state (i) the redemption date, (ii) the redemption price, (iii) if less than all Outstanding Bonds are to be redeemed, the identification (and in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed, (iv)

that on the redemption date the principal amount, and premium, if any, will become due and payable upon each such Bond or portion thereof which has been selected for redemption, and that the interest thereon shall cease to accrue from and after the redemption date, (v) any conditions required prior to redemption and payment, and (vi) that the Bonds so selected for redemption are to be surrendered to or at the principal office of the Paying Agent for payment. The failure of any Owner of the Bonds to receive notice given as provided herein or an immaterial defect in notice shall not invalidate any redemption.

At the option of the County, a notice of optional redemption may be conditional upon moneys being on deposit with the Paying Agent on or prior to the Redemption Date in an amount sufficient to pay the Redemption Price on the Redemption Date. If a conditional notice is given and moneys to pay the Redemption Price are not received, the notice of redemption shall be of no force and effect, the Paying Agent shall not redeem such Bonds and the Paying Agent shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such Bonds will not be redeemed.

In addition to the notice of redemption mailed to the Owners of the Bonds, the Paying Agent shall, on behalf of the County, deliver the information contained in the notice of redemption to the Owners plus: (i) the CUSIP numbers of the Bonds to be redeemed, if any (ii) the date of issue of the Bonds; (iii) the rate of interest on each Bond to be redeemed; (iv) the maturity date of each Bond to be redeemed; and (v) any other descriptive information identifying the Bonds to be redeemed, to all registered securities depositories then in the business of holding substantial amounts of obligations similar to the Bonds and to one or more national information services that disseminate notices of redemption for obligations like the Bonds. This additional notice shall be sent by registered or certified mail or overnight delivery service (as determined by the Paying Agent) at least one day before notice of redemption is mailed to the Owners of the Bonds. No defect in or failure to give this additional notice shall affect the validity of a call for redemption if notice is given to the Owners as required by this Resolution.

(D) Deposit of Moneys for and Payment of Redemption Price. On or prior to the Redemption Date, the County shall deposit with the Paying Agent sufficient funds to pay the Redemption Price of the Bonds or portions of the Bonds called for redemption on the Redemption Date. Upon the surrender by the Owners of Bonds selected for redemption, the Paying Agent shall pay the Redemption Price to the Owners. Installments of interest payable on or before the Redemption Date shall be payable as provided herein for the payment of interest. If one or more, but not all, of the \$5,000 units of face value represented by any Bond is selected for redemption and surrendered and paid, then the Paying Agent shall prepare and furnish to the Owner thereof a new Bond or Bonds of the same maturity and in the amount of the unredeemed portion of such Bond as provided above. All Bonds selected, called, and surrendered for redemption shall be canceled and destroyed by the Paying agent and shall not be reissued.

(E) Effect of Call for Redemption. Whenever any Bond, or one or more of the \$5,000 units of face value represented by any Bond, has been selected for redemption and payment as provided in this Section, all interest on such Bond, or increments of the Bonds selected for redemption, shall cease from and after the redemption date, provided funds are then available for its payment at the specified Redemption Price.

SECTION 5. Designation of Paying Agent and Bond Registrar; Agreement. Pursuant to K.S.A. 10-620 *et seq.*, the governing body elects to have the provisions of the Kansas Bond Registration Law apply to the Bonds and designates and appoints the Treasurer of the State as the Bond Registrar and Paying Agent for the Bonds. The “Agreement between Issuer and Agent”, dated as of August 22, 2023 (the “Agreement”), setting forth the duties and responsibilities of the Paying Agent and Bond Registrar is approved, and the Chairman and County Clerk are authorized to execute and deliver the Agreement on behalf of the County. The text of the Agreement is approved and incorporated herein by this reference.

SECTION 6. Ownership; Transfers and Exchanges; Mutilated, Lots, Stolen or Destroyed Bonds. Pursuant to the Agreement, the Bond Registrar shall maintain the Bond Register in its offices and the person(s) in whose name any Bond is registered as shown on the Bond Register shall be deemed and regarded as the absolute Owner thereof for all purposes. Payment of, or on account of the principal of and the interest on any such Bond shall be made only to or upon the order of the Owner or his duly authorized agent. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including the interest thereon, to the extent of the sum or sums so paid.

The provisions, terms, conditions and requirements for the transfer and exchange of the Bonds, and for the replacement of a mutilated, lost, stolen or destroyed Bond shall be governed by the Agreement. Replacement bonds delivered upon any transfer or exchange made in compliance with the provisions, terms, conditions, and requirements of the Agreement shall be valid obligations of the County, evidencing the same debt as the Bonds surrendered, shall be secured by the pledges made in this Resolution and shall be entitled to all of the security and benefits hereof to the same extent as the bonds surrendered. The County will pay the fees and expenses of the Bond Registrar for the registration, transfer and exchange of Bonds as provided in this Resolution and the costs of preparing a reasonable supply of Bond blanks. Any additional costs or fees incurred in the secondary market, other than fees of the Bond Registrar, are the responsibility of the Owners of Bonds.

The County and the Bond Registrar shall not be required to register the transfer or exchange of any Bond that has been called for redemption during a 15-day period preceding the date of mailing the notice of redemption to Owners as required by this Resolution and after notice of such redemption has been mailed by the Paying Agent.

SECTION 7. Execution and Authentication of Bonds. The Bonds shall be executed for and on behalf of the County by the manual or facsimile signature of its Chairman, attested by the manual or facsimile signature of its County Clerk, and shall have imprinted thereon a facsimile of the County’s official seal. The Bonds shall be registered in the office of the County Clerk, with such registration evidenced by the manual or facsimile signature of the County Clerk on a Certificate of Registration appearing on the Bonds, attested by a facsimile of the County’s official seal opposite the signature. The Bonds shall be registered by the State Treasurer in the municipal bond register in his or her office, with that registration evidenced by his or her manual or facsimile signature on a Certificate of State Treasurer which shall appear on the Bonds, and which shall be attested by a facsimile of his or her official seal imprinted opposite his or her signature. In case any officer of the

County or of the State whose manual or facsimile signature appears on the Bonds ceases to be such officer before the actual delivery of the Bonds, such signature shall nevertheless be valid and sufficient for all purposes, as if such officer had remained in office until such delivery.

No bond shall be valid or obligatory for any purpose unless and until the Certificate of Authentication on the Bond is duly executed by the Bond Registrar or an authorized representative of the Bond Registrar, and a properly executed Certificate of Authentication on any Bond shall be conclusive evidence that it has been authenticated and delivered under this Resolution. It shall not be necessary that the same officer or signatory of the Bond Registrar manually sign such Certificate on all the Bonds.

SECTION 8. Non-Presentment of Bonds. If any Bond is not presented for payment when the principal thereof becomes due at maturity, if funds sufficient to pay such Bond have been made available to the Paying Agent all liability of the County to the Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Bond Resolution or on, or with respect to, said Bond. If any Bond is not presented for payment within four (4) years following the date when such Bond becomes due at maturity, the Paying Agent shall repay to the County the funds therefore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the County, and the Owner thereof shall be entitled to look only to the County for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and County shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

SECTION 9. Payment of Costs. The County shall pay out of the proceeds of the Bonds all costs incurred in connection with the issuance, transfer, exchange, registration, redemption, and payment of the bonds except (a) the reasonable fees and expenses of replacing a Bond or Bonds which have been mutilated, stolen, lost or destroyed, or (b) any tax or other governmental charge imposed in relation to the transfer, exchange, registration, redemption or payment of the Bonds.

SECTION 10. Form of Bonds. The Bonds issued under this Resolution shall be evidenced by certificates in the form required by the laws of the State and shall contain recitals as required by the Constitution and laws of the State, including a recital that the bonds are issued in the manner prescribed by the Act. Triplett Woolf Garretson, LLC, the County's Bond Counsel, is authorized and directed to prepare the form and text of the certificates for the Bonds.

SECTION 11. Creation of Accounts. Simultaneously with the issuance and delivery of the Bonds, there shall be created within the Treasury of the County, the following accounts for the Bonds:

- (A) Principal and Interest Account for General Obligation Bonds, Series A, 2023,
- (B) Costs of Issuance Account for General Obligation Bonds, Series A, 2023, and

(C) Redemption Fund for General Obligation Bonds, Series A, 2023.

SECTION 12. Sale and Delivery of Bonds; Disposition of Proceeds. The Chairman and County Clerk are authorized and directed to execute the Bonds as provided in this Resolution and to register the Bonds in the office of the County Clerk and to cause them to be registered with the State Treasurer, as required by law. The Bonds shall be delivered to the Original Purchaser, upon receipt by the County of the full Purchase Price.

The proceeds from the sale of the Bonds shall be deposited into the Treasury of the County for the credit of and shall be applied, together with other monies of the County, as follows:

(A) accrued interest on the Bonds, if any, and any premium paid on the Bonds, shall be deposited in the Principal and Interest Account; and

(B) \$12,964.25 shall be deposited in the Costs of Issuance Account.

(C) \$79,535.75 of bond proceeds, along with \$74,222.23 of special assessment paid in cash, and \$11,364.02 of remaining funds in the Project Fund for the Notes shall be deposited in the Redemption Fund and transferred to the State Treasurer as Paying Agent for the Notes.

SECTION 13. Application of Money in Accounts. *Principal and Interest Account.* The Principal and Interest Account shall be administered and maintained for the purpose of depositing moneys from the issuance, sale and delivery of the Bonds which represent accrued interest and premium, if any, and for the deposit of assessments and/or ad valorem taxes levied to make payments of principal of and interest on the Bonds or amounts transferred from the general funds of the County to pay principal of and interest on the Bonds on any Payment Date, and for no other purpose. All amounts paid and credited to the Principal and Interest Account shall be expended by the County solely for the purpose of paying the principal of, premium, if any and interest on the Bonds and to pay the usual and customary fees of the Paying Agent. The Principal and Interest Account may be a sub-account of the County's Bond and Interest Fund. Moneys and investments remaining in the Principal and Interest Account after the retirement of the indebtedness represented by the Bonds shall be transferred to the County's Bond and Interest Fund.

Redemption Fund. Moneys paid and credited to the Redemption Fund under this Resolution shall be transferred to the Paying Agent for the Notes to be used and expended solely and only for the purpose of paying the principal of and interest on the Notes (and the fees of the Paying Agent for the Notes, if any) as and when the same shall become due and payable, upon the redemption of the Notes on September 1, 2023, and for no other purpose, all in accordance with the terms and at the times required by this Resolution and the respective terms of the Notes. Any moneys remaining in the Redemption Fund after the payment of all of the principal of and interest on the Notes shall be transferred to the Series A, 2023 Principal and Interest Account to be used to pay a portion of the principal due on the Bonds on their first Principal Payment Date.

Costs of Issuance Account. Money deposited in the Costs of Issuance Account shall be used to pay the Costs of Issuance. Funds remaining in the Costs of Issuance Account after payment of all

Costs of Issuance, but not later than 30 days before the first Principal Payment Date or one year after the issue date of the Bonds, shall be transferred to the Series A, 2023 Principal and Interest Account to pay a portion of the first principal due on the Bonds.

Moneys in each of the funds and accounts described above shall be deposited and secured according to the laws of the State. Moneys held in such accounts may be invested in Authorized Investments that mature at times as shall reasonably provide for moneys to be available for the purposes of such accounts. All earnings on investments in such accounts shall accrue to and become a part of such account or fund.

SECTION 14. Transfer of Funds to Paying Agent. The Treasurer is authorized and directed to withdraw from the Principal and Interest Account amounts sufficient to pay the principal of, premium, if any, and interest on the Bonds when due and to forward such amounts to the Paying Agent. The Treasurer is also authorized and directed to pay the customary charges of the Paying Agent for its services with respect to the payment of the Bonds and to forward such amounts to the Paying Agent. All moneys deposited with the Paying Agent shall be deposited in accord with and subject to the provisions of this Resolution.

SECTION 15. Resolution Constitutes Contract, Remedies of Owners. The provisions of this Resolution, and all of the covenants and agreements found herein, shall be a contract between the County and the Owners, and the Owners of not less than ten percent (10%) of the Bonds at the time Outstanding shall have the right, for the equal benefit and protection of all Owners similarly situated:

- (A) By mandamus or other suit, action or proceeding at law or in equity to enforce such Owner or Owners rights against the County and its officers, agents and employees, and to require and compel the County and its officers, agents and employees to perform all duties and obligations required by the provisions of this Resolution or by the Constitution and laws of the State;
- (B) By suit, action or other proceeding in equity or at law to require the County, its officers, agents and employees to account as if they were the trustees of an express trust, and
- (C) By suit, action or other proceeding in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owners.

SECTION 16. Limitation on Actions by Owners' Remedies Cumulative; Delay or Omission Not Waiver. No one or more of the Owners secured by this Resolution shall have any right in any manner whatsoever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner here provided, and all proceedings at law or in equity shall be instituted, had, and maintained for the equal benefit of all of the Owners. Nothing in this Resolution or in the Bonds shall affect or impair the obligations of the County to pay at the date of maturity thereof or on any prepayment date established therefor, the principal of and the interest on the Bonds to the respective Owners thereof or affect or impair the right of action of any Owners to enforce payment of the Bonds held by them,

or to reduce to judgment their claim against the County for the payment of the principal amount of and the interest on the Bonds without reference to or consent of any other Owners. No remedy herein conferred upon the Owners is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute, and may be exercised without regard to any other remedy however given. No delay or omission of any Owners to exercise any right or power accruing upon any default occurring and continuing as here described shall impair any such right or power or be construed as an acquiescence in default, and every right, power and remedy given by this Resolution to the Owners, respectively, may be exercised from time to time and as often as may be deemed expedient. In case any proceeding taken by any Owners on account of any default shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Owners, then in every such case the County and the Owners shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers, and duties of the Owners shall continue as though no such proceedings had been taken.

SECTION 17. Amendments. The County may, without the consent of the Owners, amend or supplement the provisions of this Resolution (i) to cure any ambiguity or to correct or supplement any provision which may be inconsistent with any other provision or to correct errors, provided such action shall not materially adversely affect the interest of the Owners, or (ii) to grant or confer upon the Owners any additional rights, remedies, powers or security, or (iii) to more precisely identify the Project, or (iv) to conform this Resolution to the Code or future applicable Federal laws concerning tax-exempt obligations. The rights and duties of the County and the Owners and the terms and provisions of this Resolution may be modified or altered in any respect by a resolution of the County with the consent of the Owners of not less than seventy-five percent (75%) in principal amount of the bonds then Outstanding, such consent to be evidenced by an instrument or instruments executed by the Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the County Clerk; provided that, the following modifications or alterations shall require the written consent of one hundred percent (100%) of the Owners of the Bonds then Outstanding:

- (A) Extending the maturity of any payment of principal or interest due upon the Bonds, or
- (B) Effecting a reduction in the amount which the County is required to pay by way of principal or interest on the Bonds, or
- (C) Permitting a preference or priority of any Bond or Bonds over any other Bond or Bonds, or
- (D) Reduction of the percentage of the principal amount of the then outstanding Bonds for which the written consent of the Owners is required for any modification or alteration of the provisions of this Resolution.

Any and all modifications made in the manner provided above shall not become effective until a duly certified copy of the resolution of the County authorizing the modifications has been filed with the County Clerk, along with proof of consent to such modification by the Owners of not

less than the percentage of the principal amount of the bonds then outstanding as required by this Resolution. It shall not be necessary to note on any of the outstanding Bonds any reference to such amendment or modification.

SECTION 18. Defeasance. When the principal of and the interest on the Bonds shall have been paid and discharged, then the requirements contained in this Resolution and all other rights granted by this Resolution shall cease and terminate. The Bonds shall be deemed to have been paid and discharged within the meaning of this Resolution if there shall have been deposited with the Paying Agent or with a bank located in the State of Kansas and having full trust powers, at or prior to the maturity or date of redemption, as the case may be, of the Bonds, in trust for and irrevocably appropriated thereto, moneys and/ or United States Governmental Obligations, which together with the interest to be earned on such investments, will be sufficient for the payment of the principal amount of and the interest on the Bonds, to the date of maturity or redemption, as the case may be, or if default in such payment shall have accrued on such date, then to the date of the tender of such payments; provided that, if such payment and discharge is to be made on a redemption date that notice of such redemption has been duly and properly given as provided by this Resolution and that all of the other terms and provisions of this Resolution relative to the call for and the redemption and payment of the Bonds shall have been complied with. Any moneys which at any time shall be deposited with the Paying Agent or such Kansas bank by or on behalf of the County, for the purpose of paying and discharging any of the Bonds or interest thereon, shall be and are assigned, transferred and set over to the Paying Agent or such Kansas bank in trust for the respective Owners of the Bonds, and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All moneys so deposited with the Paying Agent or such Kansas bank shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Resolution.

SECTION 19. Surrender and Cancellation of Bonds. Whenever any outstanding Bond shall be delivered to the Bond Registrar after payment of the principal amount of and the interest represented thereof or for replacement pursuant to this Resolution, such Bond shall be canceled and destroyed by the Bond Registrar and counterparts of a Certificate of Destruction describing such Bonds so destroyed and evidencing such destruction shall be furnished by the Bond Registrar to the County.

SECTION 20. Tax Covenants. The governing body of the County further covenants that so long as any of the Bonds remain outstanding and unpaid, it will not use or permit the use of proceeds of the Bonds, which, if such use had been reasonably expected on the date of issuance and delivery, would have caused the Bonds to be “arbitrage bonds” within the meaning of Section 103(b)(2) of the Internal Revenue Code of 1986, as amended (the “Code”); and that it will comply with all applicable requirements of Section 148 of the Code and the applicable rules and regulations of the United States Treasury Department issued under that section of the Code for so long as any of the Bonds remain outstanding and unpaid. The governing body further covenants to take all such action in its power as may be required from time to time in order to assure the continued tax-exempt status of the interest on the Bonds, and to comply with all provisions of the Code, as the same be amended, and any applicable rules and regulations of the United States Treasury Department issued thereunder.

The County further covenants and agrees that it will use the proceeds of the Bonds as soon as practicable and with all reasonable dispatch for the purposes for which the Bonds are issued and it will not use any portion of the proceeds of the Bonds or investment income earned on such proceeds in any manner that would cause a Bonds to be a “private activity bond” within the meaning of Section 141(a) of the Code.

SECTION 21. Designation as Qualified Tax-Exempt Obligations. The Bonds are designated as “qualified tax-exempt obligations” as defined in Section 265(b)(3) of the Code.

SECTION 22. Other Documents. The Chairman and County Clerk are authorized and directed to prepare and execute any and all supporting documents and certificates required in the issuance of the bonds, including a Bond Purchase Agreement between the County and KS StateBank, Manhattan, KS, in substantially the form presented with this Resolution, final certificates required to be included in the official Transcript of Proceedings relating to the authorization and issuance of the Bonds, all without further action by the governing body.

SECTION 23. Exemption from Continuing Disclosure Requirement. The County represents in connection with paragraph (a) of Securities and Exchange Commission Rule 15c2-12 that the Bonds are not part of an offering of municipal securities with an aggregate principal amount of \$1,000,000 or more.

SECTION 24. Further Authority. The County shall, and its officers, agents and employees are authorized and directed to, take such actions, expend such moneys, and execute such other documents, certificates and instruments as may be necessary or desirable in order to carry out and comply with the provisions of this Resolution and to give effect to the transactions authorized and described by this Resolution.

SECTION 25. Severability. If any provision of this Resolution is held or deemed to be invalid, inoperative or unenforceable because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions of this Resolution invalid, inoperative or unenforceable to any extent whatsoever.

SECTION 26. Governing Law. This Resolution and the Bonds shall be governed exclusively by and construed according to the applicable laws of the State.

SECTION 27. Effective Date. This Resolution shall be in force and take effect from and after its adoption and approval by the governing body of the County.

*Re: \$92,500 Riley County, Kansas
General Obligation Bonds, Series A, 2023*

Ladies and Gentlemen:

On the basis of the representations, warranties and covenants and upon the terms and conditions contained in this Bond Purchase Agreement, KS State Bank, Manhattan, Kansas (the “Purchaser”), offers to purchase all (but not less than all) of the above-described bonds (the “Bonds”), to be issued by the Riley County, Kansas (the “Issuer”), under and pursuant to a Resolution to be adopted by the governing body of the Issuer on August 3, 2023 (the “Resolution”). The Bonds are issued to redeem the Issuer’s outstanding General Obligation Temporary Notes, Series 2023, issued to pay the costs of road improvements in the County (the “Project”) and to pay certain costs of issuing the Bonds.

All capitalized terms not specifically defined herein shall have the same meaning as defined in the Resolution unless some other meaning is plainly indicated.

This offer is made subject to acceptance of this Bond Purchase Agreement by or on behalf of the governing body of the Issuer on or before 10:00 p.m., applicable Central time, on this date (the “Sale Date”).

SECTION 1. PURCHASE, SALE AND DELIVERY OF THE BONDS

(A) On the basis of the representations, warranties and covenants contained herein and in the other agreements and documents referred to herein, and subject to the terms and conditions set forth in this agreement, the Purchaser agrees to purchase from the Issuer and the Issuer agrees to sell to the Purchaser the Bonds not later than 12:00 Noon, applicable Central Time on August 22, 2023, or such other place, time or date as shall be mutually agreed upon by the Issuer and the Purchaser, at the purchase price \$92,500.00 (*i.e.*, the principal amount of the Bonds), plus accrued interest, if any, from the Dated Date to the Closing Date (the “Purchase Price”). The date of such delivery and payment is the “Closing Date,” the hour and date of such delivery and payment is the “Closing Time” and the transactions to be accomplished for delivery of the Bonds on the Closing Date shall be herein called the “Closing.” The Bonds shall be issued under and secured as provided

in the Bond Resolution and the Bonds shall have the maturities and interest rates as set forth therein. The Bonds shall contain such other provisions as are described in the Bond Resolution.

(B) Payment of the Purchase Price for the Bonds shall be made by federal wire transfer in immediately available federal funds, payable to the Issuer on or before the Closing Time on the Closing Date. Upon such payment, the Bonds shall be delivered and released upon the instructions of the Purchaser.

(C) The delivery of the Bonds shall be made in fully registered form duly executed and authenticated; provided, however, that the Bonds may be delivered in temporary form.

(D) The Issuer shall pay all costs of issuing the Bonds at the Closing Time or as the same may become due in accordance with their terms from funds deposited in the accounts created by the Resolution.

SECTION 2. REPRESENTATIONS, WARRANTIES, AND AGREEMENTS OF THE PURCHASER

(A) The Purchaser has sufficient knowledge and experience in business and financial matters in general, and investments such as the Bonds in particular, to enable the Purchaser to evaluate the Bonds, the credit of the Issuer, the collateral and the bond terms and that the Purchaser will make its own independent credit analysis and decision to purchase the Bonds based on independent examination and evaluation of the transaction and the information deemed appropriate.

(B) The Purchaser acknowledges that no credit rating has been sought or obtained with respect to the Bonds.

(C) The Purchaser acknowledges that no official statement has been prepared for the Bonds and that the Issuer will not be entering into a continuing disclosure agreement to provide ongoing disclosure respecting the Bonds pursuant to SEC Rule 15c2-12. The Purchaser has been offered copies of or full access to all documents relating to the Bonds and all records, reports, financial statements and other information concerning the Issuer and pertinent to the source of payment for the Bonds as deemed material by the Purchaser, which the Purchaser as a reasonable investor, has requested and to which the Purchaser, as a reasonable investor, would attach significance in making an investment decision.

(D) The Purchaser confirms that its investment in the Bonds constitutes an investment that is suitable for and consistent with its investment program and that the Purchaser is able to bear the economic risk of an investment in the Bonds, including a complete loss of such investment.

(E) The Purchaser states that: (a) it is a bank, savings and loan association, insurance company, or registered investment company; or any other entity (whether a natural person, corporation, partnership, trust, or otherwise) with total assets of at least \$50 million; and, (b) it is capable of evaluating investment risks and market value independently, both in general and with regard to transactions and investment strategies in municipal securities; and (c) the Purchaser has

timely access to material information that is available publicly through established industry sources as defined in Municipal Securities Rulemaking Board (MSRB) Rule G-47.

(F) The Purchaser is purchasing the Bonds solely for its own loan account for investment purposes only, and not with a present view to, or in connection with, any distribution, resale, pledging, fractionalization, subdivision or other disposition thereof (subject to the understanding that disposition of Purchaser's property will remain at all times within its control) provided nothing herein shall restrict the resale of the Bonds otherwise allowed by applicable law.

(G) The Purchaser understands that the Bonds (i) have not been registered under the Securities Act of 1933, as amended (the "Act"), and (ii) have not been registered or qualified under any state securities or "Blue Sky" laws.

(H) The Purchaser has been furnished with and has examined the Bonds, the Resolution, and other documents, certificates and the legal opinions delivered in connection with the issuance of the Bonds.

(I) The Purchaser acknowledges that in connection with the issuance of the Bonds: (i) the Purchaser has had the opportunity to consult with its own legal counsel and to negotiate this Bond Purchase Agreement prior to execution. As a condition to the purchase of the Bonds from the Issuer, the Purchaser has directed the Issuer not to obtain a CUSIP number for the Bonds, or apply for DTC eligibility for the Bonds.

(J) The Purchaser understands that the Issuer and its respective counsel and Bond Counsel will rely upon the accuracy and truthfulness of the representations and warranties contained herein and hereby consents to such reliance.

(K) The signatory of this Bond Purchase Agreement is a duly authorized officer of the Purchaser with the authority to sign this Bond Purchase Agreement on behalf of the Purchaser, and this Bond Purchase Agreement has been duly authorized, executed and delivered.

By the execution hereof, the Purchaser hereby represents, warrants and agrees with the Issuer that as of the date hereof and at the Closing Time the Purchaser is duly authorized to enter into this Bond Purchase Agreement and to take all actions required or contemplated to be performed by the Purchaser under this Bond Purchase Agreement.

SECTION 3. ISSUER'S REPRESENTATIONS AND WARRANTIES

(A) The Issuer is a duly organized and existing county and political subdivision of the State of Kansas. The Issuer has, to the best of its knowledge and belief, in all pertinent respects, complied with the Constitution and laws of the State of Kansas, has full legal right, power and authority to enter into this Bond Purchase Agreement, and has authorized the issuance, sale and delivery of the Bonds and the taking of any and all such action as may be required on the part of the Issuer to carry out, give effect to and consummate the transactions contemplated hereby.

(B) The adoption of the Resolution and the execution and delivery of this Bond Purchase Agreement and the Bonds, and compliance with the provisions thereof, will not conflict with or constitute on the part of the Issuer a violation, breach of or default under any statute, indenture, mortgage, declaration or deed of trust, note agreement or other agreement or instrument to which the Issuer is a party or by which the Issuer is bound, or, to the knowledge of the Issuer, any order, rule or regulation of any court or governmental agency or body having jurisdiction over the Issuer or any of its activities or properties.

(C) To the Issuer's knowledge, there is no action, suit, proceedings, inquiry or investigation, at law or in equity, before or by any court, public board or body pending or threatened against or affecting the Issuer, wherein an unfavorable decision, ruling or finding would materially adversely affect the transactions contemplated by the Resolution, or this Bond Purchase Agreement, or which, in any way, would adversely affect the validity or enforceability of the Bonds, the Resolution, this Bond Purchase Agreement, or any agreement or instrument to which the Issuer is a party, used or contemplated for use in the consummation of the transactions contemplated by this Bond Purchase Agreement.

(D) Any certificate signed by any authorized officer or official of the Issuer and delivered to the Purchaser shall be deemed a representation by the Issuer to the Purchaser as to the truth of the statements therein made.

SECTION 4 CONDITIONS TO THE PURCHASER'S OBLIGATIONS

The obligation of the Purchaser to purchase and pay for the Bonds will be subject to the accuracy of the representations and warranties on the part of the Issuer herein, to the accuracy of the statements of the Issuer made pursuant to the provisions hereof, to the performance by the Issuer of its obligations hereunder and to the following additional conditions precedent:

(A) The Resolution delivered to the Purchaser by the Issuer shall have been duly approved and executed by the appropriate officials of the Issuer, and shall be in full force and effect and shall not have been amended, modified or supplemented except as may have been agreed to in writing by the Purchaser, and there shall be in full force and effect such other resolutions of such parties as in the opinion of Bond Counsel shall be necessary and appropriate in connection with the issuance of the Bonds and with the transactions contemplated thereby.

(B) At the Closing Time, the Purchaser shall receive in form and substance satisfactory to it:

(1) The approving opinion of Bond Counsel;

(2) A certificate or certificates, in form and substance satisfactory to the Purchaser, of an authorized officer(s) of the Issuer, dated the date of closing, to the effect that:

(a) each of the representations and warranties of the Issuer as set forth in Section 2 hereof is true, accurate and complete in all material respects as of the

Closing Time, and each of the agreements of the Issuer set forth in this Bond Purchase Agreement, to be complied with at or prior to the Closing Time, has been complied with as of such time, and

(b) no litigation is pending, or to the knowledge of the signer(s) of such certificate or certificates, threatened, to restrain or enjoin the issuance, execution, sale or delivery of the Bonds, or in any way contesting or affecting any authority for or the validity of the Bonds, the Resolution or this Bond Purchase Agreement or the creation and existence or the powers of the Issuer, and that none of the proceedings or authority for the issuance of the Bonds has been repealed, revoked or rescinded.

(3) A copy of the Resolution.

(4) Such additional certificates, opinions, or documents as Bond Counsel or the Purchaser may reasonably request to evidence the due satisfaction at or prior to such time of all conditions then to be satisfied in connection with the transactions contemplated hereby.

(C) Subsequent to the Issuer's acceptance of this Bond Purchase Agreement:

(1) There shall have not occurred any change, or any development involving a prospective change in or affecting particularly the business or properties of the Issuer, which, in the judgment of the Purchaser, materially impairs the investment quality of the Bonds, or

(2) The market price of the Bonds, or the market price of general credit obligations issued by the States or political subdivisions thereof, or the market price of general obligations of the character of the Bonds shall (in the reasonable opinion of the Purchaser) not have been materially and adversely affected by reason of:

(a) legislation enacted by the Congress, or recommended to the Congress for passage by the President of the United States or favorably reported for passage to either House of the Congress by any Committee of such House to which such legislation has been referred for consideration, or

(b) a decision rendered by a court established under Article III of the Constitution of the United States, or the United States Tax Court, or

(c) an order, ruling or regulation made by the Treasury Department of the United States or the Internal Revenue Service, in each such case with the purpose or effect, directly or indirectly, of imposing Federal income taxation upon such interest as would be received by the owners of the Bonds, or

(d) the United States shall have become engaged in an outbreak of armed hostilities which result in the declaration of a national emergency.

(3) Trading in securities generally on the New York Stock Exchange shall not have been suspended, minimum prices shall not have been established on such Exchange, nor a banking moratorium declared either by Federal or Kansas authorities, or

(4) No order, decree or injunction of any court of competent jurisdiction, nor any order, ruling regulation or administrative proceeding by any governmental body or board, shall have been issued or commenced nor shall any legislation have been enacted by the Congress, with the purpose or effect of prohibiting the issuing, offering or sale of the Bonds as contemplated hereby.

If the Issuer shall be unable to satisfy the conditions to the obligations of the Purchaser contained in this Bond Purchase Agreement or if the obligations of the Purchaser shall be terminated for any reason permitted by this Bond Purchase Agreement, this Bond Purchase Agreement shall terminate and neither the Purchaser nor the Issuer shall have any further obligations hereunder.

SECTION 5. CONDITIONS TO THE ISSUER'S OBLIGATIONS

The obligations of the Issuer hereunder are subject to the Purchaser's performance of its obligations hereunder.

SECTION 6. NOTICE

All communications hereunder shall be in writing, and if sent to the Issuer, shall be mailed or delivered and confirmed to the address shown on the first page hereof and, if sent to the Purchaser, shall be mailed or delivered and confirmed to the Purchaser as follows:

SECTION 7. MISCELLANEOUS

(A) This Bond Purchase Agreement shall be binding upon the Purchaser, the Issuer, and their respective successors. This Bond Purchase Agreement and the terms and provisions hereof are for the sole benefit of only those persons, except that the representations, warranties, indemnities and agreements of the Issuer contained in this Bond Purchase Agreement shall also be deemed to be for the benefit of the person or persons, if any, who control the Purchaser (within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act). Nothing in this Bond Purchase Agreement is intended or shall be construed to give any person, other than the persons referred to in this Paragraph, any legal or equitable right, remedy or claim under or in respect of this Bond Purchase Agreement or any provision contained herein. All of the representations, warranties and agreements of the Issuer contained herein shall remain in full force and effect, regardless of: (1) any investigation made by or on behalf of the Purchaser, (2) delivery of and payment for the Bonds; or (3) any termination of this Bond Purchase Agreement.

(B) For purposes of this Bond Purchase Agreement, “business day” means any day on which the New York Stock Exchange is open for trading.

(C) This Bond Purchase Agreement shall be governed by and construed in accordance with the laws of the State.

(D) This Bond Purchase Agreement may be executed in one or more counterparts, and if executed in more than one counterpart, the executed counterparts shall together constitute a single instrument.

(E) This Bond Purchase Agreement may not be assigned by either party without the express written consent of the other party.

SECTION 8. EFFECTIVE DATE

This Bond Purchase Agreement shall become effective upon acceptance hereof by the Issuer.

[Remainder of Page Intentionally Left Blank]

Upon your acceptance of the offer, this Bond Purchase Agreement will be binding upon the Issuer and the Purchaser. Please acknowledge your agreement with the foregoing by executing the enclosed copy of this Bond Purchase Agreement prior to the date and time specified on page 1 hereof.

COMMISSION AGENDA REPORT

FROM: Susan Boller, Elections Manager

MEETING: August 3, 2023

SUBJECT: Request to Fill - As Needed Election Clerical Assistants

PRESENTER: Rich Vargo, County Clerk

BACKGROUND

The Temporary Election Workers are necessary positions for the Elections office, without which we would not be able to meet the elections office requirements.

The Clerk's office has 5000 hours budgeted for this position in 2023 and has used 420 hours YTD.

DISCUSSION

In 2023 the clerk's office has filled this position with 2 people who have worked a combined 420 hours.

With the increased statewide security expectation, we will need additional election staff to ensure we can implement this, and it has become urgent to fill 5 of these positions in August.

As described in the attached position description, the temp election worker will assist with elections spreadsheets, electronic poll pads and express tabulators, elections training, and voter registration as well as assist in the Clerk's office with answering the telephone, relaying messages and data entry.

FISCAL IMPACT

No fiscal impact as these positions are included in the 2023 budget.

RECOMMENDATION(S)

Recommendation is to approve the hiring process to fill the position of Temporary Elections Workers.

POSSIBLE MOTION(S)

Move to approve advertising for Temporary Election Workers for the Clerk's office.

COMMISSION AGENDA REPORT

FROM: Vivienne Leyva - Public Information Officer

MEETING: August 3, 2023

SUBJECT: Discussion of Expanded Hours Survey Results and Strategies for Employee Retention and Recruitment

PRESENTER: Shilo Heger - Treasurer, Vivienne Leyva - Public Information Officer

BACKGROUND

Increased discussion of employee retention and recruitment began in early spring 2022, when the U.S. was experiencing a dramatic labor shortage. Riley County documented increased employee turnover, longer times to fill open positions, and decreased employee tenure. Turnover costs for Riley County, including lost productivity, recruitment efforts, and training expenses, were estimated at more than \$4 million for 2022.

To explore tactics for improvement, Commissioners authorized the formation of an employee workgroup on April 7, 2022, with members representing different levels of the organization. In May 2022, the workgroup conducted an employee survey to determine which benefits mattered most to Riley County employees. A total of 205 employees responded to the survey and the top 3 priorities identified were:

1. Equitable Pay
2. More Time Off
 - 21% of respondents were Dissatisfied or Very Dissatisfied with their work/life balance; 57% of those said more paid time off would increase their satisfaction.
 - Additionally, 122 employees mentioned time off in their comments, and 49 mentioned flexible scheduling.
3. Retirement Match

To address the highest priority, the Riley County Board of County Commissioners implemented proposed changes from the salary study, including a mid-year cost of living adjustment in 2022 and updated pay scales for 2023. This action was effective at meeting the most critical employee need and has reduced turnover by 5% so far in 2023.

Next, the workgroup began exploring options to respond to the second employee priority; more time off. Some of the possible solutions included increasing the accrual rate for annual leave, adding sick leave, allowing more flexible scheduling, changing work hours, hiring additional staff, or allowing work from home.

Research of paid time off (PTO) indicates Riley County employees accrue leave at a lower rate than comparable public and private organizations in Kansas. Even so, employees are often unable to use the leave they have available. When employees do take time off, they still feel unable to disconnect from work tasks, often responding to emails, calls, and work requests while others are in the office.

To further the discussion, the workgroup first began sharing ideas with Department Heads in the summer of 2022. Elizabeth Ward gave a presentation to Department Heads at the October 5th meeting, requesting supervisor feedback about the feasibility of a compressed workweek. Several departments, including Public Works, IT, and the Treasurer's Office, responded by testing alternate schedules with their staff. After several months of research and discussion, changing to workweek with 4, 10-hour days emerged as the most feasible solution.

To gather feedback about the potential changes from customers and employees, Commissioners approved the launch of two additional surveys at their June 5th meeting. A total of 1,952 responses were received from the public (203 paper and 1,749 digital) and 233 from employees (231 completed, 2 partial).

The feedback was mixed and multi-faceted. Customer results indicate 50% (103) of paper survey responses and 22% (387) of digital responses think expanding hours would make it easier for them to visit county offices and complete business. The other 50% of paper surveys and 78% of digital responses indicated visiting offices during regular workday hours was their preference. In summary, a total of 25% (490) prefer to conduct business during hours when county offices are currently closed and 75% (1,461) do not have difficulty visiting during regular business hours.

A total of 233 employee responses were received. About half of employee responses (51.7% or 120 responses) support the proposal to adopt a 4/10 workweek. More than half, (54% or 125), of employee responses indicated the 4/10 workweek would be a benefit they would enjoy, while less than half, (49% or 113) indicated the change would improve their job satisfaction. A larger percentage of employees (57% or 132) thought the change would benefit the public.

Department Heads were also asked to share input about the feasibility of potential schedule changes. Six departments currently offer some form of alternate scheduling and six adhere to a traditional workweek of 8:00 a.m. to 5:00 p.m. Monday through Friday.

Overall, the sentiment among Department Heads regarding the feasibility of a 4/10 schedule was mixed. Most see potential benefits in adopting the 4/10 schedule, while others have concerns and prefer to maintain their current schedules. The Appraiser, Clerk, Counselor, Emergency

Management/Fire, Historical Museum, Information Technology, Noxious Weed, Planning and Development, Public Works, and Treasurer's departments generally support the change, citing the potential for increased employee satisfaction, improved customer service, and better operational efficiency.

The Health Department and Register of Deeds are cautious about the change to 4/10s, due to grant compliance issues and potential challenges for staffing as well as customer service.

Leaders also expressed serious reservations about the proposed alternative of adopting a 10-hour schedule over a 5-day workweek, with staff rotating days off. They have concerns about staffing challenges, potential adverse effects on customer service, and the need for additional hires to maintain adequate staffing levels for a 5-day, 10-hour workweek.

Please note, local museums will still be open to the public for the same hours and emergency responders will continue to serve the public 24/7 if a change is implemented. Only the administrative staff for these departments would adopt a 10-hour/day schedule.

DISCUSSION

- The sentiments expressed by Department Heads and current employees suggest that implementing a 4/10 schedule would require careful consideration and tailored approaches for different departments to address their unique needs and challenges. Any potential changes will need to focus on improving employee retention and building recruitment success while balancing the needs of customers and taxpayers.
- The biggest challenge identified by Riley County employees was daycare/dependent care. Supporting staff who are caretakers will be important and could involve childcare at the county level, other dependent care support, supervisor authorized schedule flexibility if feasible, and/or options of shorter workdays, such as 4/8 or 4/9, which would represent a savings to taxpayers.
- While a relatively large number of survey responses, 1,952, were received from the public, the sample was not statistically relevant. With an estimated total population of 61,000 people over 18 years of age, responses represent 3% of Riley County adult residents. Responders also self-selected, meaning the sample was not random, which indicates only those with an existing interest in the topic provided input.

FISCAL IMPACT

Changing County operations to 4, 10-hour days would not directly impact the budget.

Changing County operations to 5, 10-hour days would require adding employees to cover rotating shifts. The change would require an average of 2 employees per department for the Clerk's and Treasurer's office, with different staffing requirements depending on the size of other departments. The average, non-exempt cost of one employee is \$73,905 per year including salary and benefits for each of the 15 departments.

Granting additional annual leave for employees would have variable impact. The estimated, average cost of additional annual leave per day:

- Average non-exempt employee = \$25.47/hour, \$204/day
 - 200 non-exempt employees = \$40,800 annual cost per additional day of annual leave
- Average exempt employee PTO day = \$378/day
 - 83 exempt employees = \$31,374 annual cost per additional day of annual leave

RECOMMENDATIONS

The Compensation and Benefits Workgroup believes the best tactic for meeting employee needs, while also increasing customer access to services, with no additional expenses to the county, would be to consider implementation of 4, 10-hour workdays for Riley County offices.

Possible actions:

- Consider conducting a 6-month trial in which employees work a 4-day week. Track results and review at the conclusion of the trial.
- Explore other solutions or further research proposed by Commissioners.

RILEY COUNTY EMPLOYEE LEAVE ACCRUAL

COMPARRISON

The totals below include all forms of paid time off (PTO); annual leave, sick leave, holiday, and personal leave.

After year 1, Riley County employees accrue 29 days of PTO each year.

- 18 days of annual leave
- 11 days holiday leave
- 0 days personal leave

In a 10-County comparison, Riley County has the lowest amount of paid leave accrual per year for mid-tier accrual rates (years 2-10 of employment). The other counties surveyed report accruing between 30 and 47 days annually at that level.

- Ottawa – 30
- Harper – 33
- Butler – 34
- Dickinson – 37
- Cherokee – 37
- Ellis – 38
- Saline 39
- Montgomery – 40
- Miami - 41
- Geary – 47
 - The City of Manhattan accrues 38 days/year.

Only three non-government organizations responded to the request for leave accrual rates for new employees.

- Community 1st Bank – 31.5 days
- K-State Bank – 33 days
- K-State Staff – 34.5 days.

PARENTAL LEAVE

Several of the above listed also offer paid parental leave, up to 6 weeks. Ottawa does not require salaried employees to take leave when away from work.

EXTENDED SICK LEAVE (ESL)

Additionally, Riley County, and several other counties grant Extended Sick Leave to employees through an accrual system and a shared donation bank. These hours are only accessible with medical certification of an extended illness lasting more than 3 consecutive days.

- Riley County ESL – 6 days/year
- Saline County ESL – 15 days/year

RILEY COUNTY EMPLOYEE SNAPSHOT

As of the pay period ending July 23, a total of 19 employees have less than 2 days (16 hours) of annual leave and 14 employees have less than 2 days (16 hours) of ESL available.

Even though Riley County employees are accruing leave at a lower rate than some local competitors, not all employees are able to use the leave they earn.

As of the current pay period, 37 employees have more than the maximum 160 hours of annual leave available. Excess annual leave hours are rolled into extended sick leave at the end of the year.

CONCLUSION

Many Riley County employees are not able to disconnect from work tasks and 21% reported being Dissatisfied or Very Dissatisfied with their work/life balance. In conversation, many employees report they are burned out because they are working even during their “off time” to meet service needs by checking emails, responding to calls, scheduling projects, or performing other tasks.

Simply giving employees more PTO will benefit some workers. However, the best solution to promote job satisfaction, retention, and recruitment will not only grant additional leave opportunities but will also allow employees to use their time away from work without needing to engage in work tasks and duties.

- 25 said it would be harmful for other families
- 7 said it would be helpful for their own family
- #103: I like the idea of working 4/10 with the exceptions of sports and such things that as a parent I would need to be available after 5pm to handle on certain days. The 4/10 sounds amazing but I would be happy with still working 5 days. I also would like the certainty of my hours not being cut to 32 or 36 hours. I hope this proposal goes well for everyone and it fits everyone well.

FEASIBILITY OF 4/10 SCHEDULE

Feedback from Riley County Department Heads

Departments Heads were asked to answer two questions regarding a change to either a 4/10 or 5/10 schedule.

1. Can you please tell us what your office staffing would look like and what would or would not work specifically for your department?
2. Please also tell us if you believe, as the department head, if this change would be a benefit to your employees and whether you believe it would be a benefit to your customers.

APPRAISER – Anna Burson

First, I want to start by saying this office hours topic is a challenge and doesn't seem to be a one size fits all. Personally, I believe that the County really should stick to the same schedule for all departments instead of some doing 8 hours 5 days a week and some doing 10 hours 4 days a week. I think it is important that everyone is in the office and available to each other when the office is open for business. The only exception to this that I think would work is if we're open Monday thru Thursday 7:30-5:30 and open ½ day on Friday 7:30-noon. This would allow for departments to still offer 10-hour days Monday thru Thursday but provide the opportunity for those who cannot do 10-hour days to come in on Fridays for a half day or if the departments want everyone working the same schedule the only day, they will potentially need to adjust staffing hours and coverage would be on Friday to cover the 30 minutes extended. This would increase availability to customers both internal and external without being closed completely to the public on Fridays. I believe this would provide added employee satisfaction as well as increasing our customer service and eliminate the challenge of 7:00 am-6:00 pm staffing.

My department currently navigates with a largely flexible work schedule since we are open 5 days a week (8-5). Some staff work 5 days a week 8-hour days and some work 4 days a week 10-hour days (7-5:30 with 30 min lunch). This can be tricky to manage.

The current set up has both positives and negatives. It provides flexibility for making up time when staff have appointments by allowing them to stay later or come in early as there is always work to be done. It creates employee satisfaction providing them one additional day to handle personal things without using leave. Staff can get things done when the office is closed to the public uninterrupted.

The negatives are not all staff can work 4 ten-hour days due to their position specifically myself and the front desk staff as well there are a couple other positions that are needed here since the office is open. If someone calls with questions or comes in with questions or concerns, we must take a message or send to voicemail and customers both internal and external must wait until the staff member returns before getting an answer. (this can result in customer dissatisfaction or even frustration).

Currently, I have supervisors working 4 tens this creates a challenge as when they are out, and their staff is here their staff must communicate with me on anything that comes up.

In addition, when other departments call with a question, or we have questions for each other when someone is out due to their schedule, we have to take notes and wait until they return to get the questions answered. Not everything has to be handled immediately and I understand that but by having the same hours of operation and same schedules it allows for everyone to be accessible to each other and the customers besides vacation and sick days. The current set up has even bigger challenges when staff are sick, on vacation, their day off falls on a Holiday and they get an alternative day off, or they are out for training. Currently we can only have all staff meetings Tuesday through Thursday. When it comes to scheduling interviews, it creates additional challenges. I am glad the employee satisfaction with work hours is great for my office but overall if things continue as they already are I believe I will have to make some modifications moving forward especially with Supervisors working 4-10's.

If we went to office hours 4 days a week 10 Hour days: Monday thru Thursday:

Many of my staff would not have an issue with the 10-hour days however closing at 6PM would be very difficult for most of them. My 10 hour staff leave at 5:30 currently and I personally cannot be here until 6 pm as the pick-up time for most child care facilities is no later than 6pm and the drop off times are no earlier than 7:30. In our office many work 7-5:30 4 days a week with 30 minute lunches and I believe I would have many more staff on board with that type of schedule and could potentially staff that more easily. I would still need to provide flexibility for staff who cannot be here at 7 or need to leave before 5:30 as I know of a few including myself that this would be difficult for (not impossible but difficult).

Myself, being exempt I already work outside of the 8-5 schedule and would get my time in however I would have difficulty requiring staff to be there when I could not be. Additionally, I know staff that would not be able to take the pay cut 36- or 38-hour work weeks to accommodate the change I would consider allowing staff to come into the office for 4 hours on Friday when the office building is closed to get the job done and offset time they cannot work during office hours or look at remote options.

If we went to 5 days a week working extended hours Monday thru Friday: depending on the hours considered it would not be impossible but more challenging to schedule if we still have staff working 10-hour days and others working 8's. This would likely lead to the need for additional staff. That or we would need to eliminate the 10-hour schedules we currently have and shift to half the staff coming in early and half staying later to ensure coverage. This I am not sure exactly how we would staff but I believe it would lead to more staff being dissatisfied especially if Friday we were here till 5:30 or 6.

Overall, I think the possibility of offering extended hours Monday thru Thursday and ½ day on Friday would be the best option for my department. This would allow flexibility with staff hours and schedules and honestly would be more manageable than the way "it has always been done," as some of my staff are off on Monday and some are off on Friday. I believe it would increase my staff's availability to each other and other internal departments as the only day we would

potentially have staff unavailable would be on Friday's and overall, this would improve internal and external satisfaction. Currently offices are already open 8-5 (9 hours for the public to come and go as they need; most offices do not close over lunch.) A change in office hours like this would allow me to still offer the 10-hour days Monday thru Thursday for staff who wish to work and can work 10-hour days and the ½ days on Friday would help for those who cannot work 10-hour days but still provides the added benefit of a shorter day on Friday.

Like I said this is a challenging subject, but I do think reduced hours on Friday would still increase employee satisfaction and allow department heads better ability to manage 10-hour days for some and not all.

EMERGENCY MANAGEMENT/FIRE – Russel Stukey

If a 4/10 schedule were instituted by the BOCC, EM/Fire would be open M-Th. to the public. The advantage to the public would primarily be noticed during burn season because the public would have the opportunity to make it to the office during extended hours to get a burn permit.

4/10s, 5 days per week would be a hardship on our department with our limited staffing. 4/10s 5 days a week would result in the office being closed more often with no-one here due to the combination of vacations, all day trainings, out of town meetings and emergency responses. 4/10s, 5 days per week would be detrimental to EM/Fire.

I believe a 4/10 schedule would be a benefit to my employees and the public. My employees are split in their opinions of staying the way it is vs. switching to a 4/10 work schedule.

EMERGENCY MEDICAL SERVICES – David Adams

The staffing for EMS would consist of the exempt administrators. We would have a rotating schedule which would allow for one of us to be in the office 5 days a week instead of all of us being gone on Friday. For example, Josh may have every Monday off for the month of September and he would then work every Friday of the month. The next month it would be Alex who is off on Monday's but in the office on Friday. When it comes to my time to be in the office on Fridays I would need to be more flexible in order to be available for BOCC meetings (I may need to take Wednesdays off).

HEALTH DEPARTMENT – Julie Gibbs

I think most of my thoughts and feelings from my supervisors were in the email that I sent a few weeks ago (ADDED BELOW). Basically, we can make it happen in the clinic, but would like to still be open at least half the day on Friday. It's just a little difficult with our grants to make it happen clean across-the-board. Nothing is clean right now, as you can see from our schedules! My staff with kids it will be harder for, but we could make it happen if we needed to.

I met with the supervisors Wednesday, and we had a long discussion about what extended hours could look like moving forward. I know many concerns are over whether we will be able to fulfill the grant requirements and of course, keeping our staff (especially those with littles). I know we can work with our staff to make a certain schedule work for them, but it will take some creativity.

FIRST EMAIL MESSAGE FROM JULIE GIBBS

The major concern is staying in compliance with our grants. Closing completely on Fridays is probably not the best for our clients, for many reasons. I had conveyed to my staff that there would be some flexibility with the schedules, thereby allowing some work on Fridays. However, after viewing the commission meeting on Monday, many of them were concerned this would not be the case. After chatting with you and Rich on Wednesday, I feel better knowing that our end goal is the same in providing more opportunities for the public to have access to our services, but also allowing an alternative work schedule for our staff. Therefore, I think we came up with a good solution to first meet the needs of our community and satisfy our staff with being flexible (but within reason)! However, my supervisors do have some questions and concerns from their staff, listed below!

Questions from staff

1. How will pay and benefits work for exempt employees who need to work 4x8 or 4x9? Will this be in a policy? (I know staff are very anxious about this!)
2. Will employees still be able to flex out time during the week to make meetings/appointments on Fridays or events/classes on Saturdays? For example, KDHE meets regularly with CCL staff on Fridays, Julie has scheduled monthly Medicaid Advisory Task Force Meetings in Topeka on Fridays, WIC has breastfeeding consultations on Fridays (they had a total of 62 breastfeeding peer counseling contacts last month on Fridays!!), we have to do data entry for BaM classes within 24 hours of Thursday night's classes so usually Leslie completes this on Fridays, and right now Mondays and Fridays are the busiest time for the clinic. Saturdays are often filled with BaM or BaF classes and/or RR events/engagement opps.
3. Will supervisors/dept. heads be allowed to work 4x8 or 4x9 (of course we all know supervisors and dept heads work many evenings and weekends, but as far as scheduled time in the office?

Concerns

1. We have partners in the community who work on Fridays (KDHE, Women's Health Group, Pediatrics, Konza, Pawnee, Via Christi, Irwin, etc.) When we get referrals, ore we are scheduled for rounds at the hospital, or for data entry (which is always entered the day after BAM classes on Thursday nights), may we still have someone in office on Fridays to do this? Waiting until Monday to enter data, complete hospital rounds, or to meet with a referred client would not be ideal for our patients or our partners. We have

worked hard to get partners on board with our referral system and don't want to lose out due to being closed on a weekday.

2. If we are closed on Fridays, we would not be able to satisfy the needs of clients in the clinic, MCH and WIC. Jacob looked at numbers in the past year and Mondays and Fridays continue to be the busiest. Friday counts for May in the clinic are 9, 15, 12, and 12, respectively. Doesn't sound like a lot but with very few hours on Friday mornings, they see a lot of people! WIC is similar....Fridays are very busy with regular appointments and breastfeeding consultations. May numbers from WIC include... 5/26: 42 WIC + 16 Breastfeeding Peer Counselor contacts + 1 IBCLC latch assessment with interpreter, 5/19: 38 WIC + 7 BFPC contacts, 5/12: 35 WIC + 20 BFPC contacts, 5/5: 31 WIC + 18 BFPC contacts. MCH has seen 66 clients on Fridays since January, which is about 3 per Friday. I think the major concern is just not being available at all on Fridays.
3. There is still the concern of getting kids to and from daycare and school. If we can be flexible with these employees to make those schedules work, that is GREAT. However, there is the problem of burn out among those who do the extended hours every week. I don't want this to turn into resentment toward others.

Proposal

Would we be able to expand the clinic services to meet the needs of the public (it is highly unlikely patients will make appointments for clinical services before 8:00). We propose M-W 8a-6:30p (1/2 hr lunch), Th 8a-7p, Fri 8a-12p. This would actually be 4.5 ADDITIONAL hours open to the public every week and Jacob would schedule accordingly, so that none of his staff are in overtime. With this, like we mentioned in our meeting in Rich's office on Wednesday, some programs will be exempt from this if they're not providing open hours to walk in, like the clinic. For instance, CCL will continue to work their "odd" hours bc that is what their job calls for! For example, 2 surveyors had to go out on a complaint in DK county last Friday at 6 AM!

With that being the case, I would propose making the FCRC exempt since there are so many different programs, all with different grant requirements. ALL of their appointments are scheduled, so no walk ins like the clinic. With so many nights and weekends our staff are currently working at the FCRC (Raising Riley's engagement activities and provider groups, CCLs home visits and provider orientations, MCHs classes, and WICs outreach events) this would be the most beneficial situation for our staff and our clients. Much like the museum, we need to look at our busiest times and adapt to the meet the needs of our clients. We feel we must keep the flexibility of nights and weekends events and classes to be able to serve our community. This is what we have written into our grants and our grants all state that we shall reduce any barriers in place for the community to receive services. It would not serve the community well have our FCRC building open earlier in the morning (as we rarely schedule before 9:00) but rather to operate 5 days a week, as all our partners do.

Sorry for the book but I feel this is a good compromise....allows for flexibility with our staff and most importantly expanded hours for the community!!

HISTORICAL MUSEUM – Katharine Hensler

Please see the museum’s proposed schedule (ATTACHED). Our team feels confident that moving to a schedule like this will not adversely affect the staff or public. From a positive angle, we will be able to add some additional hours for the public to access our services and some of our staff members who opt into a 4/10 schedule will be able to enjoy a three-day weekend. I won’t be advocating to close the museum on Friday, Saturday, or Sunday since we are a tourism-based institution and need to accommodate visitors on those days. Please let me know if you have any questions or want additional information concerning the museum’s proposal. Thank you!

INFORMATION TECHNOLOGY – Cory Meyer

As you know our department already utilizes 4-10s and honestly, it’s the best thing we’ve done for our department. We are obviously still here 5 days a week and the day of the week that staff take off varies. Using a 4-10 schedule allows us to complete work before staff who works 8-5 gets to work. It also allows us to better support those departments who are already using a shift outside of the 8-5 schedule.

If the county went to a set days of the week 4-10 schedule like Monday-Thursday, off on Friday, then we would shift to the same days of the week as well. On occasion if we have major hardware replacement or software updates then we would use the Friday for that work to limit the disruption of staff in the county. This would still allow for my staff to have their weekend off and they would offset that Friday’s work by taking a day between the set M-Th county schedule.

If the county was open 5 days a week as we are now but allowed flexible 4-10 schedules, then we would maintain the same working schedule we do now. We are happy with this option as well. If our staff has major hardware replacement or software updates then we would have a little more scheduling, but it would not cause us an issue. If I have a staff member work time on a weekend because of work that could cause a major disruption I give them the time off during the week to offset the time.

I/We have seen the major benefits of a 4-10 schedule on a personal level. The day off during the week has allowed staff to take care of personal needs like medical appointments for themselves or family. They plan home projects that they need to complete, but even the day to get cleaning, mowing, and grocery shopping done keeps their weekend open to spend time with family and friends enjoying their weekend off. I have a new employee who does not have PTO built up but has medical needs for appointments and without it the 4-10s would be using “Time off without Pay”. I have another with a long-term medical situation and the 4-10s helps save on ESL.

NOXIOUS WEED/HOUSEHOLD HAZARDOUS WASTE – Michael Boller

As you know this would be a simple change for us. Our office hours would expand to accommodate the 10 hours with Friday off. It would be a benefit to the customers as we would

have expanded hours to sell chemical. Currently we collect HHW material 24/7 so there would not be much effect there however since I currently work 10 hours, I often find myself assisting folks that come out here after 5pm so expanded hours would accommodate those situations. Beyond that I can't stress enough the 10 hours currently has prevented me from having to ask for at least a seasonal position to help with mowing and HHW waste. Since moving to 10 hours our mowing capacity has increased by 35% and I have been able to use that employee time to help assist Justin in HHW with our ever-increasing HHW waste. I can prove that on paper no doubt about it. Also, I wanted to share I have had two employees that have been approached recently by neighboring agencies (Pott Co and KDOT) both have offered my guys more money than they currently make to go work for them. Both turned down the offers citing three things, professional staff at Riley County as a whole, a boss that listens to them (which was very nice to hear) and 10-hour shifts.!! In addition to all of that I have a current Noxious Weed Director from a large county in Kansas that called me the other day asking if he could come work for me here at Riley County. He cited that he has heard similar things about Riley County and Noxious Weed Department, and he wants 10-hour shifts. That is powerful support for 10-hour shifts in my opinion.

To answer your last question directly I have zero doubt that has been and would be a great benefit to our employees. I am also positive that this change to 10-hour shifts for the us has benefited the citizens we serve, and it has saved tax dollars by getting more done using less resources and not needing to expand staff.

Lastly, I will add that half of my staff is opposed to 10-hour shifts. Citing too long of workdays for older workers and childcare. One of those employees is currently working 10s on temp basis and although I can't speak for him, I believe he likes it.... A lot. Employees simply hate change. I worked shift work for 25 years and raised children during that time and you are a military family dealing with a spouse gone for a year at a time. People will adapt I know it can be done.

PUBLIC WORKS – John Ellermann

Currently, Public Works staff work a variety of 4/10 or 5/8 schedules. Overall, the employees working the 4/10 week enjoy the extra time off. As a manger, having employees on different schedules is frustrating at times, especially if the one employee you need information from is not available. Most of the employees seem to like their current schedule and it has been positive for the department. Road crews have been working 4/10s for two years.

Even if all offices adopted a 4/10 schedule, Public Works staff cover a variety of job duties that may require special consideration as other departments and buildings don't make the switch to a 4-10 work week, such as Pottorf Hall, the Courthouse, and County Attorney, which would still open for business on Fridays and/or weekends. However, being able to come in to most facilities on Fridays, rather than on weekends, to make repairs to water lines or other systems when those buildings are closed, would be helpful.

Some employees are against the change, and would face serious challenges, but a change would not have a significant impact on our customers. We can make a 4/10 schedule work, but my biggest fear is losing good employees because they have childcare needs or other responsibilities that won't work with a new schedule.

REGISTER OF DEEDS – Amy Manges

Document wise, Monday is our busiest day of the week with Friday being the next busiest day. Friday is also the day that we usually have the most traffic from individuals not tied to a business. It can be anything from dropping off a document for recording, to researching their great, great grandparents, to wanting to look at school records. With the combining of our 2 busiest days of the week, and a statutory requirement to record documents on the date and time received, our office would have to have another staff member to maintain the same level of services. Presumably, approval of another staff person will not happen. Therefore, I would probably staff a person between 7-8 am and 5-6 pm to cover the extended hours. I would allow staff to work thru lunch to make up that hour as not everyone is available to stay until 6pm or come in at 7am. We would also be looking at working a ½ day on Friday to catch up request, take in UPS, FedEx and mail and start the checking process to try and ease some of the workload on Monday.

The proposed change would not be a benefit to my current staff. It is causing them a lot of stress and anxiety. Approximately 90% of our customers are businesses that are open between the hours of 8 am- 5pm so I do not believe that extended hours would be much of a benefit for them either.

TREASURER – Shilo Heger

Definitely working 4 10-hour days would make the most sense for the Treasurer's office. This schedule will allow for full coverage during the hours of operation. It will provide ease in scheduling as everyone would have the same day off. It will also provide for hours before and after work for all transactions we perform in the office. There are many days where we have a mad rush of customers as soon as we open the door. We currently do not have as many customers at the end of the day, but that is due to the fact that we started advertising we stop doing title work at 4:30 to avoid overtime. This was a change for the public as we used to serve every customer that was in the office even if it was 1 minute before 5. We have been able to limit our overtime pay by implementing this change.

If we offered extended hours to the public M-F it would require at least 2 new hires to cover the rotation in days off. To rotate a day off for each employee it would require me to allow 3 people off each day. That would include 2 from the counter and 1 from the back office. Then if you pull one person off for the driver's license office that is 1/3 of the counter staff. Add in if there is a vacation day or someone calls in sick you could possibly be working at half-staff at the counter. I tried to offer flex schedule to my staff in the summer of 2022 and for those who chose to take advantage of the offer they loved the flexibility and the half day off a week. However, it was a

scheduling nightmare to make sure all the tasks were covered and regardless of the fact everyone was given the option many were upset with those who were flexing their time.

PLANNING & DEVELOPMENT ENVIRONMENTAL HEALTH

Date: July 28, 2023
To: Elizabeth Ward, Human Resources Director
From: Amanda Webb, Planning Director
Re: Planning & Development staffing & operations on 4-10 scheduling

The Planning and Development Department is currently open from 8:00 am to 5:00 pm, Monday through Friday. All employees work the same schedule. Four out of the six positions are exempt.

A flexible 4-10s schedule, while remaining open five days per week, would not work for our department. If everyone wanted to utilize the flexible schedule option, we would not have enough coverage to do so successfully. There is one staff member who performs planning tasks, one staff member who does environmental health tasks, and one who does compliance/building duties. Because of this, we would have less opportunity for collaboration. Additionally, there is a higher probability that a particular staff member is not in to provide the necessary assistance should I need them or if someone comes in with questions. It is best for us to work the same schedule.

As Department Head, I would likely not want to be out every week when I have employees in the office. My employees are self-sufficient, but I would feel somewhat obligated to be here, or at least available for phone calls and emails, and would probably wind up working more. I have enough trouble disconnecting over the weekend when things should be quiet or on vacation, so would be challenging if work was going on and I wasn't there (regularly).

If we're going to make a change, a 4-10s schedule, if we all have the same day off (i.e., we're closed), would work best. We would not have to worry about coverage, we'd have the same number of hours to collaborate (40 hours), and we wouldn't have to worry that one staff member is there when another isn't. I could take advantage of the schedule because we'd be closed, and no one would be in the office on a day I wasn't there.

There could be both benefit and inconvenience to customers; just depends on what they need. Offering office hours before 8 am and after 5 pm would undoubtedly be a benefit. Contractors generally start their days early, so if they could come in or call at 7:00 or 7:30, that would certainly be helpful for them. All customers could come in (or call) before or after work should they need to.

One concern could be a pressing need or issue during the off day. For example, if a wastewater system should fail so that there is surfacing sewage. While this kind of thing doesn't happen often, it is a public health emergency. However, this would be the same if it happened on a Saturday or Sunday, or overnight. We deal with it the next business day. Generally, if it were this bad, the contractor would perform repairs and we could permit after-the-fact, which is acceptable now. If something comes up on an off day now (Saturday or Sunday) that needs immediate attention, we can deal with it. It would be the same if we added a third off day. We could work on a Friday if the situation warrants (just like we can on Saturday or Sunday if the situation necessitates now). Overall, it wouldn't really be too impactful in that respect.

Additionally, people would need to wait an extra day for call backs, which can be an inconvenience to some if they're looking for information on property or needing to get an inspection or close on a home purchase.

Though it is a change, and 10-hour days can be long, I think overall it would a benefit to staff as they'd get an extra day off a week without having to be concerned about office coverage or loss of collaboration time. Concerns are valid, but I think can be worked out. Giving extra annual leave is great, but some people do not use that time whether they're too busy at work or just don't feel comfortable taking time off. A compressed work week would allow extra time off for everyone while still maintaining a 40-hour workweek.

COUNTY CLERKS OFFICE

MEMORANDUM

TO: Board of County Commissioners

FROM: Rich Vargo

DATE: July 31, 2023

SUBJECT: Employee Request for Additional Day Off

Commissioners:

From the 2022 Employee Survey the #2 request was for additional time off. The Employee Committee discussed many ways to accommodate the request to include additional paid time off, floating holidays, birthdays off etc. All of those items have an additional cost to the taxpayer and no increase in level of service for our customers. The Committee included three employees who had direct experience working flexible scheduling or a 4-day work week/10 hours a day, either at Riley County or with another organization.

With the best interest of the taxpayers and the employees of Riley County in mind, the Committee, through several meetings, decided on recommending to the Department Head Committee to discuss/consider alternative work schedules and/or the 4 days/10 hours/week. This would enable citizens to conduct business within traditional hours but also non-traditional hours, giving additional hours to choose from when conducting their business based on the individual need of the citizen. It also addresses the request for additional time of for employees, at no cost to the county or lack of service provided to our taxpayers. Through multiple discussion in the Department Head Committee and through test periods in departments of flexible work schedules and the 4/10's the conclusion was the 4/10's with all departments opened and closed the same days and hours was most beneficial for improved customer service and departmental administration of personnel.

Departments who experimented with being open 5 days/week with varying schedules among employees found it to be administratively burdensome. It also caused animosity amongst some personnel because ultimately not everyone gets the exact schedule they prefer due to the necessity to have offices staffed appropriately. Internally those who currently have some on 5/8's and 4/10's state there are times when they need a specific staff member and they are not due to their different work schedules within the same department.

The Board knows I strongly feel all office and departments should be open the same days and hours of the week. Many times, customers who need the appraiser's office also end up needing the register of deeds, treasurer's, or clerk's offices as well. The same hold true for our internal customers, our employees. Many times, when an employee needs assistance with budget and finance, accounts payable and human resources they want them available when they are at work as well. There is not one department which does not communicate internally, on a regular basis, when conducting work for the taxpayers. This collaboration between departments and employee's is essential and will be best provided if all employees departments have the same schedule.

The customer surveys show there is a segment of Riley County Taxpayers who would like to have services provided during the non-traditional M-F 8:00 a.m. – 5:00 p.m. While it is not the majority there is a population which would benefit from the expanded services at no additional cost to the taxpayers. And for those who prefer the traditional 8:00 a.m. – 5:00 p.m. it is still available 4 days/week.

On each election cycle we have expanded customer service hours on election day from 7:00 a.m. – 7:00 p.m. In the 2022 General Election on election day 49.84% of, 5,599 voters participated in the time periods of 7:00 a.m. – 8:00 a.m., 12:00 a.m. – 1:00 p.m. and 5:00 p.m. – 7:00 p.m.. Many customers regardless of their needs, want to get their services when it is most convenient for their work schedule.

In closing, the Board needs to remember this discussion began with employees requesting more time away from work, not as 4/10's. 4/10's was simply presented after much discussion and dialog between the Committee and Department Heads as a way to address employees concerns at no additional cost to the taxpayer. While also providing enhanced customer service.

COUNSELOR – Clancy Holeman

1. Two members of our department are strongly opposed to this option.

One staff member voiced their primary objection is this approach would give our legal office operating hours substantially different from private attorneys, the District Court and Appellate Courts. Further, this staff member strongly believes the public expects (and is entitled to expect) government offices to be open for business between 8 a.m. and 5 p.m. Further, this staff member has had personal experience previously working such a schedule. Their experience doing so was that the last two hours of a 10-hour shift are too exhausting for an employee.

Our second staff member strongly opposed to 4/10 said such a schedule would be too exhausting. Also, it would not promote work/life balance because the employees on such a schedule would actually see family members less. That's because those family members would likely be working the more traditional 8 am to 5 pm schedule, including that Friday, when county offices were closed all day. They expressed it would be depressing to come to work in the morning dark and leave in the evening after dark. For those with a long commute to and from work, driving to and from work could also be more dangerous.

2. Three of this office's employees (including me) support the concept of "4/10 work days." We believe it would work for this Department.

One member of the department in support was concerned about possible physical exhaustion by the end of the workday. They said they also understood how it would be more convenient for the public it would be if citizens access county services before 8 and up to 6 pm. This department member gave an example of a family member who could not do an "in-person" tag renewal on their own vehicle because they had to be at work between 8 a.m. and 5 pm. and extended county hours of operation would have solved that. They believed this could work for our department because Friday court appearances are infrequent.

Attorney positions in the office are exempt, so overtime is not concerned. Like all "salaried" positions in this organization, our work is project driven, not "hours driven." Frankly, we don't expect to work 40 hours and no more each work week. So, the need to sometimes come in on the "closed" day for individual legal matters presents no problem for two of us. One of us two has worked 4/10 hour days and found it to be a good thing. That department member also said this schedule could work for us because court appearances are rarely set on Fridays.

I strongly support this concept, based upon the long-term "health" of our organization. In my personal opinion, qualified workforce applicants now generally expect their preferred employers to be flexible somehow regarding hours of work. Long term, Riley County wants to be that preferred employer. If we don't move to 4/10 hour days eventually, I believe our organization will, over time, lose the opportunity to interview applicants whom we would like to bring into our organization. Without this flexibility, those applicants won't even apply for open positions at Riley County. They will instead apply elsewhere offering such flexibility. And that also means even if one of them does apply here, they will leave whenever they have the opportunity to apply

their skill set (perhaps largely obtained here) at a different employer who offers 4/10 hour days. The real downside of that scenario is we could become a “training ground” for our “competitors” in the local and regional government job market. I believe the quality and tenure of this organization’s work force is a critical to its long term service to taxpayers. We need good, qualified people to provide top-notch service. And once they are hired, we need to retain them long enough that they hone and apply their skills for public service. Since this workforce schedule option costs property taxpayers, no more than they currently pay, I believe it is an attractive option for the BOCC to consider.

Naturally, this office will support whatever policy decision this Board makes. We appreciate the opportunity the BOCC has given both employees and citizens to express their views on this matter.
