COMMISSION AGENDA REPORT

FROM: Andrea Rose, Administrative Assistant II

MEETING: September 19, 2024

SUBJECT: Auction of Surplus Property 2024

PRESENTER: John Ellermann, County Engineer

BACKGROUND

The County surplus trailers are full again. It's been 3 years since the last Surplus Property Auction.

In 2013, 2016, 2019, and 2021 the only Auctioneer to submit a proposal was Ruckert Realty & Auction, LLC. Public Works has contacted them and they are willing to perform the auction again. A contract is enclosed for the Commissioners signatures.

DISCUSSION

All items have been inventoried and are ready to sell. A notice to all Riley County Department heads was sent out on 06.28.2024 and, again, on 08.26.2024 allowing them an opportunity to submit additional items for the auction. A day or two before the auction Departments will have the opportunity to view all of the items slated for disposal and claim them for utilization in their Department.

The 2024 Surplus Auction will be held on October 16, 2024 at 3 pm at the Riley County Public Works Facility located at 6215 Tuttle Creek Blvd. Attached items include:

- Contract with Ruckert Realty & Auction, LLC
- The Notice of Intent to Sell "Exhibit 1"
- Preliminary list to be sold "Exhibit 2"
- Resolution #011107-03

The notice of intent to sell excess personal property will be published in the legal notice section of the "The Manhattan Mercury" and the "The Riley Countian". The Auction will also be posted

to the Riley County website.

FISCAL IMPACT

Costs to auction the surplus property will be 20% of the auction sales value plus advertising costs.

ALTERNATIVES

- . Approve the measure
- . Deny the measure
- . Modify or develop alternatives if other concerns or factors arise
- . Schedule work session to discuss issue further

8. Whenever in these contract documents the expression 'it is understood and agreed', or an expression of like import is used, such expression means the mutual understanding and agreement of the parties executing the CONTRACT AGREEMENT.

GC-3. ORAL STATEMENTS. It is understood and agreed that the written terms and provisions of the agreement shall supersede all oral statements of representatives of the Owner or Director, and oral statements shall not be effective or be construed as being a part of this contract.

GC-4. LEGAL ADDRESS. The address of the Owner is the Riley County Public Works Department, 6215 Tuttle Creek Blvd., Manhattan, Kansas 66503. Either party may change his address at any time by an instrument in writing delivered to the Director and to the other party.

GC-5. INDEPENDENT CONTRACTOR. The relation of the Auctioneer to the Owner shall be that of an independent contractor.

GC-6. METHODS OF OPERATION. The Auctioneer shall inform the Director in advance concerning his plans for carrying on each part of the work, but the Auctioneer alone shall be responsible for the safety, adequacy, and efficiency of his laborers, equipment, and methods.

Any method of work suggested by the owner or Director, but not specified, shall be used at the risk and responsibility of the Auctioneer; and the Director and the Owner will assume no responsibility therefore.

Review by the Owner or Director of any plan or method of work proposed by the Auctioneer shall not relieve the Auctioneer of any responsibility therefore, and such review shall not be considered as an assumption of any risk or liability by the Owner or Director; or any officer, agent, or employee thereof. The Auctioneer shall have no claim on account of the failure or inefficiency of any plan or method so reviewed.

The Owner and the Director will not be responsible for any act or omission of the Auctioneer, any of their agents or employees, or any other persons performing any of the work. The Owner and the Director will not be responsible for any failure of the Auctioneer or any other persons to perform the work in accordance with the requirements of the contract documents.

GC-7. NO WAIVER OF RIGHTS. Neither the inspection by the Owner or Director or any of their officials, employees, or agents, nor any order by the Owner or Director for payment of money, or any payment for, or acceptance of, the whole of any part of the work by the Owner or Director, nor any extension of time shall operate as a waiver of any provision of this contract, or of any power herein reserved to the Owner, or any right to damages herein provided, nor shall any waiver of any breach in this contract be held to be a waiver of any other or subsequent breach.

GC-8. SUPERINTENDENCE OF WORK. Continuous superintendence of all operations on the site of the work shall be provided by the Auctioneer through competent representatives. The representative of the Auctioneer in charge of the work shall be fully authorized to act for the Auctioneer and to receive whatever orders may be given for the proper prosecution of the work or notices in connection therewith.

GC-9. PROTECTION OF PROPERTY AND PUBLIC LIABILITY. The Auctioneer shall be accountable for any damage resulting from his operations. He shall be fully responsible for the protection of all persons including members of the public, employees of the Owner, and all public and private property including sale items, structures and utilities.

GC-10. LAWS AND REGULATIONS. The Auctioneer shall observe and comply with all ordinances, laws, and regulations, and shall protect and indemnify the Owner and the Owner's officers and agents against any claim or liability arising from or based on any violation of the same.

GC-11. CLAIMS FOR LABOR AND MATERIALS. The Auctioneer shall indemnify and save harmless the Owner from all claims for labor and materials furnished under this contract. When requested by the Owner, the Auctioneer shall submit satisfactory evidence that all persons, firms, or corporations, who have done work or furnished materials under this contract, for which the Owner may become legally liable, have been fully paid or satisfactorily secured. In case such evidence is not furnished or is not satisfactory, an amount will be retained from the money due the Auctioneer which in addition to any other sums that may be retained will be sufficient, in the opinion of the Owner, to liquidate all such claims. Such sum will be retained until the claims as aforesaid are fully settled or satisfactorily secured.

Before final acceptance of the work by the Owner, the Auctioneer shall submit to the Director in duplicate a notarized affidavit stating that all vendors, persons, or firms who have furnished labor or materials for the work have been fully paid and that all taxes have been paid.

GC-12. FINAL INSPECTION. When the work has been substantially completed and at a time mutually agreeable to the Owner, Director and Auctioneer, the Director will make a final inspection of the work and report to the Owner his findings as to the acceptability and completeness of the work.

GC-13. RELEASE OF LIABILITY AND FINAL SETTLEMENT. Acceptance by the Auctioneer of the last payment shall be a release to the Owner and agent thereof, from all claims and liability hereunder for anything done or furnished for, or relating to the work, or for any act or neglect of the Owner or of any person relating to or affecting the work. As affected upon completion of the services outlined in the SPECIAL PROVISIONS, the Auctioneer shall provide a statement of final settlement that includes a complete accounting of costs, receipts, outstanding receipts, Auctioneer's fee, and payment for net proceeds of the sale.

GC-14. DEFENSE OF SUITS. In case any action in court is brought against the Owner or Director, or any officer or agent of either of them, for the failure, omission, or neglect of the Auctioneer to perform any of the covenants, acts, matters, or things by the contract undertaken; or for injury or damage caused by the alleged negligence of the Auctioneer or his agents, or in connection with any claim based on lawful demands of subcontractors, persons, or suppliers; the Auctioneer shall indemnify and save harmless the Owner and Director and their officers and agents, from all losses, damages, costs, expenses, judgments, or decrees arising out of such action.

RESOLUTION NO. 011107- 03

**A RESOLUTION ADOPTING AN ALTERNATE METHODOLOGY FOR
DISPOSAL OF EXCESS PERSONAL PROPERTY
STORED BY PUBLIC WORKS**

WHEREAS, pursuant to K.S.A. 19-211(b)(1), Riley County desires to adopt a resolution establishing a method of disposing of excess personal property stored by Public Works, as an alternative to the requirements of K.S.A. 19-211(a); and

WHEREAS, K.S.A. 19-211(b)(1) provides that such alternate methodology for the disposal of personal and real property must contain procedures for; “(A) Notification of the public of the property to be sold; (B) describing the property to be sold; and (C) the method of sale, including, but not limited to, fixed price, negotiated bid, sealed bid, public auction or any other method of sale which allows public participation.”

WHEREAS, Riley County has determined that it would be in the best interests of Riley County to establish a method of disposal of excess personal property currently stored by Riley County Public Works on county property, which excess personal property is no longer usable by Riley County, alternative to the requirements of K.S.A. 19-211(a), and setting forth guidelines for the disposal of that Riley County excess personal property.

NOW THEREFORE, BE IT RESOLVED BY the Board of County Commissioners of Riley County, Kansas, that the sale of the such excess personal property shall be conducted as follows:

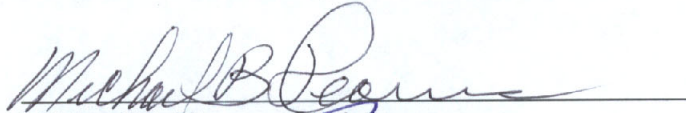

1. Attached hereto as “Exhibit 1” is a copy of the “Notice of Intent to Sell Excess Personal Property by the Board of County Commissioners of Riley County, Kansas,” the original of which shall be published by staff of Public Works once in a newspaper of general circulation within Riley County, at least one week in advance of the public auction hereinafter described. Such notice shall provide for sale of the excess personal property by public sale by a private auction service, such auction service to be selected by the Public Works Director, or his designee, in the Director’s discretion, and outside the requirements of the Riley County Procurement Code. The terms of such public auction shall be as approved by the Director of Public Works, or his designee.
2. Attached hereto as “Exhibit 2” is an itemized list of excess personal property subject to sale.
3. That “Exhibit 1” and “Exhibit 2” shall be posted on the Riley County web site by staff of Public Works at least one week in advance of the sale process hereinafter described.
4. That “Exhibit 1” contains a description, by category, of the excess personal property to be sold.
5. That “Exhibit 2” contains an individual description of each item of excess personal property to be sold.
6. As soon as possible after auction of the items listed on “Exhibit 2,” the Director of Public Works, or his designee, shall report back to the Board of County Commissioners during the regular agenda process with material identifying the buyer of each item and the price at which it sold, total sale proceeds, as well as net proceeds realized by Riley County. (Any items which

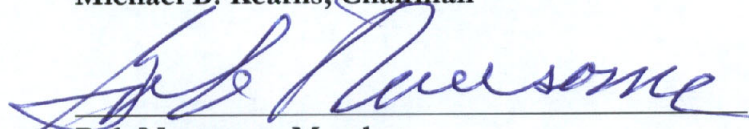

fail to sell at the auction may be disposed of at the direction of and within the discretion of the Director of Public Works, or his designee.)

7. All net sale proceeds generated by the auction shall be deposited in the established auction proceeds fund of Riley County.
8. The Board finds presentation to and approval by the Board, during the regular agenda process, of "Exhibit 1" and "Exhibit 2", the subsequent publication of "Exhibit 1" as described herein, the posting of "Exhibit 1" and "Exhibit 2" on the Riley County website, and public sale at a private auction service selected by the Director of Public Works, or his designee, taken together allow public participation and otherwise satisfy the procedural requirements of K.S.A. 19-211(b)(1).
9. Sale of Riley County's excess personal property should be made pursuant to the alternate methodology described herein and not as described under K.S.A. 19-211(a).
10. Future sale of Riley County's excess personal property stored by Public Works do not require an additional resolution, provided that the foregoing procedure is followed in all respects, including advance presentation to the BOCC, during the regular agenda process, of the items to be sold, for BOCC approval.
11. Any prior resolution in conflict herewith is hereby repealed.

ADOPTED this 11th day of January, 2007.

COMMISSION AGENDA REPORT

FROM: Russel Stukey
MEETING: September 19, 2024
SUBJECT: Fire Station 110 replacement (University Park)
PRESENTER: Russel Stukey Fire Chief

BACKGROUND

Riley County Fire Dist.#1 has been in the process of replacing antiquated fire stations for several years. Station 110 (University Park) is the last of the old cinder block fire stations to be replaced. We are ready to proceed and need direction from the BOCC which serves as the Fire District supervising board.

DISCUSSION

Board members have indicated a desire to proceed as quickly as possible to complete this project. The two options are to do the traditional formal bid process or go with the contractor that most recently bid Station 102 (Ashland) and negotiate a contract with them based on their past bid and recent performance completing Station 102.

This would require the BOCC to vote to waive the requirement to bid as stated in section 1.104(2) of the Procurement Code. Also, section 5.101 of the Procurement Code allows for price adjustments of contracts. Reasons to extend the contract with the previous successful bidder for Station 102 (Ashland) with reasonable price adjustments are:

1. Time is of the essence, prior to winter setting in and construction being delayed is one of the biggest factors to waive the formal bidding process.
2. The formal bid process will delay construction a minimum of 30-45 days.
3. The project has been formally bid twice already and consulting with our architect we have a good feel for reasonable price increases due to labor and materials.
4. The successful contractor from the previous formal bidding process is willing to mirror the last contract with reasonable price increases.

5. Going with the proven contractor helps ensure the workmanship, material quality and timeliness will be acceptable.

6. This project has seen numerous delays. One of those delays caused by cost increases due to the inflation in materials and labor. Further delay will only exacerbate the inflationary issue. Delay will also cause angst within the UP community that has been anticipating this project for a long time.

FISCAL IMPACT

Staff estimated project cost will be approximately \$273,000. This is based on the previously bid cost of Fire Station 102 (Ashland which came in at \$253,902) an expected 5% increase from contractor and the known additional work for sanitary sewer and potable water at St. 110 that we did not have at Station 102.

Additional costs associated if the formal bidding process were used would be advertising, architect fees, engineering costs if a different building vendor were used etc. None of those costs would come to play with the current contractor.

Use of ARPA funds, as indicated by BOCC members, would lessen the fiscal impact on the local taxpayer and allow Fire District Funds to be used for fire truck replacement/upgrades.

RECOMMENDATION(S)

Staff's recommendation is to use updated pricing from the local contractor that most recently (3 months ago) participated in the formal bid process and completed Station 102 in Ashland. If those prices are deemed reasonable by the BOCC then offer a contract to construct Fire Station 110 University Park.

POSSIBLE MOTION(S)

COMMISSION AGENDA REPORT

FROM: Shilo Heger

MEETING: September 19, 2024

SUBJECT: Request Approval to Correct Special Alcohol Fund Allocation

PRESENTER: Shilo Heger

BACKGROUND

Riley County receives money from the sale of alcohol in the county four times a year: March, June, September, and December. There are two types of receipts. One is for sales within a city in the county with a population less than 6,000. This money is to be deposited into a Special Alcohol Fund. The other is for alcohol sales in the county by caterers whose principal place of business is located in the county or temporary permit holders whose permitted events are located in the county. This money is to be divided in thirds and deposited in a Special Alcohol Fund, a Special Parks and Recreation Fund, and the General Fund.

It has come to my attention that all alcohol money received by the county has only been deposited in the Special Alcohol Fund for some time.

DISCUSSION

Prior to 2020 the amount of alcohol sales made in the county were very minimal if any, therefore, I believe the money was just deposited in the Special Alcohol Fund. Since 2021 there has been a significant increase in the amount of alcohol sales within the county due to several new businesses. I was asked by another county to look at the statute regarding the distribution of the alcohol tax and it came to my attention that we have not been distributing the money correctly.

I went back to 2017 to calculate how the money should have been distributed. I have attached a copy of that spreadsheet. I have discussed the correction with our auditor and he felt we did not need to go back further as the amounts are fairly minimal. It is my intent to correct the allocation from 2017 to current and then will distribute any new moneys correctly going forward.

Moneys in the special alcohol fund shall be expended only for the purchase, establishment, maintenance or expansion of services or education, alcohol and drug detoxification, intervention in alcohol and drug abuse treatment of persons who are alcoholics or drug abusers or are in danger of becoming alcoholics or drug abusers.

Moneys in the special parks and recreation fund may be expended only for the purchase, establishment, maintenance or expansion of park and recreational services, programs and facilities.

FISCAL IMPACT

Currently, there is a balance in the Special Alcohol Fund of \$33,981.49. To correct the distribution I will need to transfer \$14,221.40 to a Special Parks and Recreation Fund and \$14,221.40 to County General. After making these transfers the Special Alcohol Fund will have a balance of \$5,538.68. There are two more distributions to be made in 2024.

RECOMMENDATION(S)

I am recommending the Board of County Commission approve the transfer.

TO: BOCC

RE: Out-of-State Travel Request

I would like to send Eric Ziegenhirt to the 44th Annual APWA Western Snow & Ice Conference in Loveland, Colorado, September 24 through September 28, 2024.

Eric competed in the APWA Kansas Chapter Snow Roadeo Winter Training exposition at Milford State Park and placed 1st in the motor grader division and 1st in the loader division. The Kansas Chapter of APWA is paying \$1000.00 towards the cost of sending Eric to the APWA National Conference so that he may compete in the motor grader and loader competitions. Eric will represent Kansas at this event if he attends.

Benefits to Riley County – By registering Eric for the Snow and Ice Conference and Roadeo, we will have an opportunity to show support for the continuing education of our top operators. By participating in this event, operators will develop and refine their skill in operating equipment used to maintain Riley County roads.

The Roadeo is a popular event that tests the skills and knowledge of equipment operators from different agencies. The grader and loader competition are individual competitions. Each entrant will be expected to operate a grader or loader through the obstacle course, take a written test on the rules of the road, and perform a vehicle inspection to identify equipment defects.
